NOTES TO CONDENSED CONSOLIDATED FINANCIAL STATEMENTS
(In thousands, unless otherwise stated)
(Unaudited)

1. Organization and Description of Business

Description of Business

Paymentus Holdings, Inc. and its wholly owned subsidiaries (“Paymentus” or the “Company”) provides electronic bill presentment and payment services, enterprise customer communication and self-service revenue management to billers through a Software-as-a-Service (“SaaS”), secure, omni-channel technology platform. The platform seamlessly integrates into a biller’s core financial and operating systems to provide flexible and secure access to payment processing of credit cards, debit cards, eChecks and digital wallets across a significant number of channels including online, mobile, IVR, call center, chatbot and voice-based assistants. Paymentus was incorporated in the state of Delaware on September 2, 2011 with office locations in Charlotte, North Carolina, Dallas, Texas, Santa Clara, California, Richmond Hill, Ontario (Canada), and Gurugram, Mohali and Bengaluru (India). The Company is headquartered in Charlotte, North Carolina.

2. Basis of Presentation and Summary of Significant Accounting Policies

Basis of Presentation and Principles of Consolidation

The accompanying unaudited interim condensed consolidated financial statements and related notes have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”) and applicable rules and regulations of the United States Securities and Exchange Commission (the “SEC”) regarding interim financial reporting. Accordingly, they do not include all disclosures normally required in annual consolidated financial statements prepared in accordance with GAAP. Therefore, these unaudited condensed consolidated financial statements and related notes should be read in conjunction with the audited consolidated financial statements and the related notes included in the Company’s Form 10-K for the year ended December 31, 2025 filed with the SEC on February 24, 2026 (the “2025 Form 10-K”).

These unaudited interim condensed consolidated financial statements have been prepared on the same basis as the annual financial statements and, in the opinion of management, reflect all adjustments, which include only normal recurring adjustments necessary for the fair statement of the Company’s financial position, results of operations and comprehensive income, changes in stockholders’ equity and cash flows for the periods presented. The results of operations for the three months ended March 31, 2026 and 2025 are not necessarily indicative of the results to be expected for the full year or any other future interim or annual period.

The unaudited interim condensed consolidated financial statements include the accounts of the Company and its wholly owned subsidiaries. All intercompany accounts and balances have been eliminated upon consolidation.

Use of Estimates

The preparation of condensed consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the condensed consolidated financial statements and accompanying notes. Such estimates include revenue recognition, cost of revenue recognition, the allowance for credit losses, the useful lives of tangible and intangible assets, and the recoverability or impairment of intangible assets, including goodwill, internal-use software development costs, valuation of stock warrants issued, stock-based compensation, and accounting for income taxes. The Company bases its estimates on historical experience and also on assumptions that management considers reasonable. The Company assesses these estimates on a regular basis; however, actual results could differ from these estimates.

Custodial Accounts

The Company has established a relationship with its merchant processors to act as collection and paying agents, whereby a merchant processor receives funds from customers and forwards such funds to the respective Paymentus client, based on the instructions received from the Company. These merchant processors act as custodians of the cash received, and the Company has no legal ownership rights to the funds held in such custodial accounts and does not control the use of these funds. As the Company does not take ownership of the funds, these custodial accounts are not included in the Company’s consolidated balance sheets. The balance of cash in the custodial accounts held by these merchant processors was \$198.9 million and \$215.7 million as of March 31, 2026 and December 31, 2025, respectively.

Concentration of Credit Risk

Financial instruments that potentially subject the Company to credit risk primarily consist of cash, cash equivalents, accounts receivable and short-term deposits. The Company maintains its cash and cash equivalents and short-term deposits with high-quality financial institutions with investment-grade ratings. For accounts receivable, the Company is

exposed to credit risk in the event of nonpayment by customers to the extent of the amounts recorded in the condensed consolidated balance sheets. No customer accounted for more than 10% of revenue for either of the three months ended March 31, 2026 and 2025. As of March 31, 2026 and December 31, 2025, one reseller accounted for more than 10% of accounts receivable.

Segment Information

The Company operates as a single operating and reportable segment. The Company's chief operating decision maker ("CODM") is its chief executive officer, and the CODM evaluates financial performance and makes resource allocation decisions based on consolidated financial information. The measure of segment profit or loss that the CODM uses to allocate resources and assess performance is the Company's consolidated net income, as reported on the condensed consolidated statements of operations and comprehensive income. The CODM uses consolidated net income to assess overall Company performance, monitor progress toward financial targets, and make strategic decisions regarding the allocation of resources across functions and initiatives.

The accounting policies applied to the segments are the same as those described in the summary of significant accounting policies. All expense categories on the condensed consolidated statements of operations and comprehensive income are significant, and there are no other significant expenses that are reviewed or provided to the CODM that would require disclosure.

Assets provided to the CODM are consistent with those reported on the condensed consolidated balance sheets.

Information related to the Company's products and services is disclosed in Note 1. Information about geographical distribution of the Company's revenue and long-lived assets is disclosed in Notes 3 and 4, respectively.

Summary of Significant Accounting Policies

The Company's significant accounting policies are discussed in Note 2, "Basis of Presentation and Summary of Significant Accounting Policies," in the Notes to Consolidated Financial Statements as of December 31, 2025 and 2024 and for the years ended December 31, 2025, 2024 and 2023 included in the 2025 Form 10-K. There have been no significant changes to these policies during the three months ended March 31, 2026.

Recently Adopted Accounting Standards

Accounting Standards Updates ("ASU") not listed below were assessed and determined to be either not applicable or are not expected to have a material impact on the condensed consolidated financial statements.

In July 2025, the FASB issued ASU 2025-05, Measurement of Credit Losses for Accounts Receivable and Contract Assets. ASU 2025-05 provides guidance on the measurement of credit losses for certain accounts receivable and contract assets arising from revenue transactions. The guidance is effective for annual reporting periods beginning after December 15, 2025, and interim periods within those annual reporting periods. The Company adopted ASU 2025-05 effective January 1, 2026 on a prospective basis. The adoption of this new guidance did not have a material impact on the Company's condensed consolidated financial statements and related disclosures.

Accounting Pronouncements Not Yet Adopted

On November 4, 2024, the FASB issued new guidance requiring additional disclosure of the nature of expenses included in the income statement in response to longstanding requests from investors for more information about an entity's expenses. The new standard requires disclosures about specific types of expenses included in the expense captions presented on the face of the income statement as well as disclosures about selling expenses. ASU 2024-03, Disaggregation of Income Statement Expenses (DISE), applies to all public business entities (PBEs) and is effective for annual reporting periods beginning after December 15, 2026 and interim reporting periods within annual reporting periods beginning after December 15, 2027. The requirements will be applied prospectively with the option for retrospective application. Early adoption is permitted. The adoption of ASU 2024-03 is not expected to have a material impact on the Company's financial position or results of operations.

In September 2025, the FASB issued ASU 2025-06, Intangibles – Goodwill and Other – Internal-Use Software (Subtopic 350-40): Targeted Improvements to the Accounting for Internal-Use Software. The amended guidance modernizes the accounting for costs related to internal-use software to more closely align with current software development methods. The guidance removes references to project stages and clarifies when the Company is required to start capitalizing eligible costs. The new guidance is effective for fiscal years beginning after December 15, 2027, and interim periods within those fiscal years, with early adoption permitted. The guidance can be applied on a prospective basis, a modified basis for in-process projects, or a retrospective basis. The Company is currently evaluating the impact this amended guidance may have on its condensed consolidated financial statements and related disclosures.

In December 2025, the FASB issued ASU 2025-11, Interim Reporting (Topic 270): Narrow-Scope Improvements. The amendments improve the codification guidance for interim reporting and require that entities provide specific disclosures in interim periods that were previously only required in annual financial statements. The new guidance is effective for fiscal

years beginning after December 15, 2027, and interim periods within those fiscal years, with early adoption permitted. The Company is currently evaluating the impact of adopting this new guidance on its future interim financial disclosures.

3. Revenue, Performance Obligations and Contract Balances

Disaggregation of Revenue

The following table presents a disaggregation of revenue from contracts with customers (in thousands):

	Three Months Ended March 31,	
	2026	2025
Payment transaction processing revenue	\$ 355,664	\$ 273,280
Other	2,777	1,955
Total revenue	\$ 358,441	\$ 275,235

Revenue by geographic area, based on the location of the Company's users, was as follows (in thousands):

	Three Months Ended March 31,	
	2026	2025
United States	\$ 353,008	\$ 270,679
Other	5,433	4,556
Total	\$ 358,441	\$ 275,235

Remaining Performance Obligations

As of March 31, 2026, the aggregate amount of transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied was \$8.2 million, of which the Company expects to recognize over 73% within the next two years, 18% between two to four years and the remainder thereafter. The timing of revenue recognition within the next four years is largely dependent upon the go-live dates of the Company's customers under the Company's contracts.

As of March 31, 2026, the Company has contractual rights under its commercial agreements with customers and resellers to receive \$51.1 million of fixed consideration related to the future minimum guarantees through 2030. As permitted, the Company has elected to exclude from this disclosure any variable consideration that meets specified criteria. Accordingly, the total unsatisfied or partially unsatisfied performance obligations related to processing services is significantly higher than the amount disclosed.

Contract Liabilities

Revenue recognized during the three months ended March 31, 2026 and 2025 that was included in the contract liabilities balance at the beginning of each of the periods was \$0.5 million and \$0.6 million, respectively.

8. Commitments and Contingencies

Other Commitments

The Company has entered into certain non-cancellable agreements for software and marketing services that specify all significant terms, including fixed or minimum services to be used, pricing provisions and the approximate timing of the transaction. There have been no material changes to the Company's contractual obligations or commitments outside of the ordinary course of business as compared to those described in the 2025 Form 10-K. This disclosure excludes obligations under contracts that are cancellable or have remaining terms of 12 months or less.

Legal Matters

From time to time, the Company is subject to or otherwise involved in various lawsuits, claims and legal proceedings that arise out of or are incidental to the conduct of our business, including those relating to employment matters, and contractual and other commercial disputes. The Company records a liability in its condensed consolidated financial statements for these matters when a loss is known or considered probable and the amount can be reasonably estimated. The Company reviews these estimates each accounting period as additional information is known and adjusts the loss provision when appropriate. If a matter is both probable to result in a liability and the amounts of loss can be reasonably estimated, the Company estimates and records an accrued liability. Accrued liabilities related to legal matters are included within other accrued liabilities in Note 7. If the loss is not probable or cannot be reasonably estimated, a liability is not recorded in the Company's condensed consolidated financial statements. While it is not feasible to predict or determine the ultimate outcome of these matters, the Company believes that, as of March 31, 2026, no current claims and legal proceedings are expected to have a material adverse effect on its financial position, results of operations or cash flows.

Indemnification

The Company enters into indemnification provisions under agreements with other parties in the ordinary course of business, including business partners, investors, contractors, customers, and the Company's officers, directors, and certain employees. The Company has agreed to indemnify and defend the indemnified party claims and related losses suffered or incurred by the indemnified party from actual or threatened third-party claims due to the Company's activities or non-compliance with obligations or representations made by the Company. The Company seeks to limit, or cap, its indemnification exposure in its commercial and other contracts. It is not possible to determine the maximum potential loss under these indemnification provisions due to the Company's limited history of prior indemnification claims and the unique facts and circumstances involved in each particular provision.

9. Equity

Warrants

On May 13, 2021, the Company entered into a warrant agreement with JPMC Strategic Investments I Corporation ("JPMC"), an affiliate of J.P. Morgan Securities LLC, an underwriter in our 2021 initial public offering ("IPO"), pursuant to which the Company agreed to issue a warrant to JPMC for up to 509,370 shares of Class A common stock upon completion of the IPO at an exercise price of \$18.38 per share (the "May 2021 warrant agreement"). Upon completion of the IPO, 382,027 of the warrant shares vested and were exercisable. The vesting of the remaining 127,343 shares of Class A common stock underlying the warrant was subject to the achievement of certain commercial milestones through December 31, 2025 pursuant to a related commercial agreement with JPMorgan Chase Bank, National Association ("JPM Chase"), an affiliate of JPMC. As discussed below, this commercial agreement was amended in August 2022, and the achievement of certain commercial milestones was extended through December 31, 2026 and minimum revenue commitments were set for each of the calendar years through 2026. As of March 31, 2026, all 509,370 warrant shares were vested and exercisable under the May 2021 warrant agreement.

On August 29, 2022, the Company entered into a second warrant agreement with JPMC, in connection with an amendment to the Company's existing commercial agreement with JPM Chase discussed above, pursuant to which the Company issued a warrant to JPMC for up to 684,510 shares of Class A common stock at an exercise price of \$10.10 per share (the "August 2022 warrant agreement"). Upon signing the August 2022 warrant agreement, 171,128 of the warrant shares vested and were exercisable. The vesting of the remaining 513,382 shares of Class A common stock underlying the warrant was subject to the achievement of certain commercial milestones through December 31, 2026 pursuant to the commercial agreement, as amended. As of March 31, 2026, all 684,510 warrant shares were vested and exercisable under the August 2022 warrant agreement.

The Company accounts for the consideration payable in the form of warrants to its vendor as share based compensation expense. The warrant fair value was determined using the Black-Scholes pricing model in accordance with ASC 718, *Compensation-Stock Compensation*.

10. Stock-Based Compensation

In May 2021, the Company's board of directors (the "Board") adopted, and its stockholders approved, the 2021 Equity Incentive Plan (the "2021 Plan"), which became effective in connection with the IPO. The 2021 Plan provides for the grant of incentive stock options, within the meaning of Section 422 of the Internal Revenue Code ("IRC"), to the Company's employees and any of its parent or subsidiary corporations' employees, and for the grant of non-statutory stock options, restricted stock, restricted stock units, stock appreciation rights, and performance awards to the Company's employees, directors and consultants and any of its parent or subsidiary corporations' employees and consultants. A total of 10,459,000 shares of the Company's Class A common stock have been reserved for issuance under the 2021 Plan in addition to (i) an annual increase of 4% of the outstanding shares of the Company's common stock, with Class A and Class B common stock taken together, on the first day of each fiscal year (subject to the Compensation Committee of the Board exercising discretion to increase or decrease such amount, the "Evergreen Addition") and (ii) upon the expiration, forfeiture, cancellation, or reacquisition of any shares of Class B common stock underlying outstanding stock awards granted under the 2012 Equity Incentive Plan, an equal number of shares of Class A common stock, such number of shares not to exceed 7,563,990. On January 1, 2026, pursuant to the Evergreen Addition, approximately 5.0 million shares of Class A common stock were added to the 2021 Plan issuance reserve. At March 31, 2026, there were approximately 29.8 million remaining shares available for the Company to grant under the 2021 Plan.

Stock Options

A summary of the Company's option activity during the three months ended March 31, 2026 was as follows (in thousands, except share and per share amounts):

	Options Outstanding	Weighted- Average Exercise Price per Share	Weighted- Average Remaining Contractual Life (years)	Aggregate Intrinsic Value
Outstanding at December 31, 2025	3,443,585	\$ 8.64	3.32	\$ 79,016
Options exercised	(375)	8.66		
Outstanding at March 31, 2026	<u>3,443,210</u>	\$ 8.64	3.07	\$ 57,694
Exercisable at March 31, 2026	<u>3,443,210</u>	\$ 8.64	3.07	\$ 57,694

There were no options granted or expired during the three months ended March 31, 2026 and 2025, and no options were forfeited during the three months ended March 31, 2026. Aggregate intrinsic value represents the difference between the exercise price of the options and the fair value of the Company's common stock. The aggregate intrinsic value of options exercised during the three months ended March 31, 2026 and 2025 was less than \$0.1 million and \$0.9 million, respectively.

At March 31, 2026, all outstanding stock options granted under the 2012 Equity Incentive Plan were fully vested. Accordingly, there was no unrecognized compensation cost related to unvested stock options.

Restricted Stock Units ("RSUs")

A summary of the Company's RSU activity during the three months ended March 31, 2026 was as follows:

	RSUs Outstanding	Weighted- Average Grant Date Fair Value
Awarded and unvested at December 31, 2025	2,766,276	\$ 24.09
Awards granted	855,348	25.82
Awards vested	(346,994)	22.82
Awards forfeited	(3,998)	19.06
Awarded and unvested at March 31, 2026	<u>3,270,632</u>	\$ 24.69

The fair value of RSU grants is determined based upon the market closing price of the Company's Class A common stock on the date of grant. The aggregate grant-date fair value of RSUs granted during the three months ended March 31, 2026 and 2025 was \$22.1 and \$17.1 million, respectively. RSUs vest over the requisite service period, which generally ranges between four to five years from the date of grant for employees and one year (historically ranging from one to three years for awards vested prior to 2026) for directors, subject to continued employment for employees and provision of services for non-employees. The aggregate fair value of RSUs vested during the three months ended March 31, 2026 and 2025 was \$8.2 and \$9.3 million, respectively.

At March 31, 2026, there was \$77.6 million of total unrecognized compensation cost related to unvested RSUs granted under the 2021 Plan, which is expected to be recognized over a remaining weighted-average period of 3.7 years.

Stock-Based Compensation Expense

Stock-based compensation expense included in the condensed consolidated statements of operations was as follows (in thousands):

	Three Months Ended March 31,	
	2026	2025
Cost of revenue	\$ 69	\$ 66
Research and development	968	881
Sales and marketing	1,573	1,494
General and administrative	3,364	1,104
Total stock-based compensation	<u>\$ 5,974</u>	<u>\$ 3,545</u>

11. Income Taxes

The Company computes its tax provision for the three months ended March 31, 2026 by applying the estimated annual effective tax rate to year-to-date income from recurring operations and adjusting for discrete items arising in that quarter.

The Company's effective tax rate is as follows:

	Three Months Ended March 31,	
	2026	2025
Effective tax rate	28.2%	22.4%

The change in provision for income taxes as well as the increase in the Company's effective tax rate, were primarily the result of permanent differences for disallowed compensation pursuant to IRC Section 162(m), state taxes, and Canadian and US R&D credit claims. For the comparable period in 2025, it was primarily the result of permanent differences for disallowed stock-based compensation pursuant to IRC Section 162(m), state taxes and discrete benefits for excess tax benefits on stock-based compensation.

The Company forecasts an estimated effective tax rate in 2026, exclusive of discrete benefits, of 28.5%, which primarily differs from the U.S. federal statutory rate due to state taxes, permanent differences on nondeductible compensation, and Canadian and US R&D credit claims.

12. Net Income per Share Attributable to Common Stock

Basic net income per share attributable to common stock is computed by dividing net income for the period by the weighted average number of common shares outstanding during the period.

Diluted net income per share attributable to common stock is computed by giving effect to all potentially dilutive common stock equivalents to the extent they are dilutive. The dilutive effect of outstanding options, RSUs and warrants is reflected in diluted net income per share attributable to common stock by application of the treasury stock method. The calculation of diluted net income per share attributable to common stock excludes all anti-dilutive common shares.

The rights of the holders of Class A and Class B common stock are identical, except with respect to voting and conversion. As the liquidation and dividend rights are identical, the undistributed earnings are allocated on a proportionate basis to each class of common stock, and the resulting basic and diluted net income per share attributable to common stockholders are, therefore, the same for both Class A and Class B common stock on both an individual and combined basis.

The following table sets forth the computation of basic and diluted net income per share attributable to common stock (in thousands except share and per share data):

	Three Months Ended March 31,	
	2026	2025
Numerator:		
Net income	\$ 20,881	\$ 13,813
Denominator:		
Weighted-average shares of common stock — basic	125,665,214	124,941,781
Dilutive effect of stock options	2,311,201	2,509,281
Dilutive effect of RSUs	762,730	1,043,077
Dilutive effect of warrants	574,855	307,835
Weighted-average shares of common stock — diluted	129,314,000	128,801,974
Net income per share		
Basic	\$ 0.17	\$ 0.11
Diluted	\$ 0.16	\$ 0.11

The following table summarizes the weighted-average number of securities that were excluded from the computation of diluted net income per share attributable to common stock as their inclusion would have been antidilutive:

	Three Months Ended March 31,	
	2026	2025
RSUs	935,826	2,599

Item 2. Management’s Discussion and Analysis of Financial Condition and Results of Operations

Overview

As a leading provider of cloud-based bill payment technology and solutions, we deliver our next-generation product suite through a modern technology stack to a broad and diverse base of business and financial institution clients. Our platform was used by approximately 53 million consumers and businesses globally in December 2025 to pay their bills, move money and engage with our clients. We serve billers of all sizes that primarily provide non-discretionary services across a variety of industry verticals, including utilities, financial services, insurance, government, telecommunications, real estate management, education, consumer finance, healthcare, business to business (B2B) and small business. We also serve financial institutions by providing them with a modern platform that their customers use for bill payment, account-to-account transfers and person-to-person transfers. By powering this comprehensive network of billers and financial institutions, each with their own set of bill payment requirements, we believe we have created an enviable feedback loop that enables us to continuously drive innovation, grow our business and uniquely improve the electronic bill payment experience for participants in the bill payment ecosystem.

Our platform provides our clients with easy-to-use, flexible and secure electronic bill payment experiences powered by an omnichannel payment infrastructure that allows consumers to pay their bills using their preferred payment type and channel. Because our biller platform is developed on a single code base and leverages a SaaS infrastructure, we can rapidly deploy new features and tools to our entire biller base simultaneously. Through a single point of integration to our billers’ core financial and operating systems, our mission-critical solutions provide our billers with a payments operating system that helps them collect revenue faster and more profitably and empower their consumers with the information and transparency needed to control their finances.

Transactions Processed

	Three Months Ended March 31,		% Growth
	2026	2025	
	(in millions)		
Transactions processed	203.4	173.2	17.4%

We define transactions processed as the number of revenue generating payment transactions, such as checks, credit card and debit card transactions, automated clearing house (ACH) items and emerging payment types, which are initiated and generally processed through our platform during a period. The number of transactions also includes account-to-account and person-to-person transfers. The increase in number of transactions processed during the three months ended March 31, 2026 as compared to the same period in 2025 was primarily driven by the addition of new billers and increased transactions from both new and existing billers.

Other Key Factors and Trends Affecting Our Operating Results

The discussion below includes a number of forward-looking statements regarding our future performance. For a discussion of important factors, including the continuing development of our business and other factors which could cause actual results to differ materially from matters referred to below, see the discussions under “Risk Factors” and “Special Note Regarding Forward-Looking Statements” herein and in the 2025 Form 10-K.

Impact of Economic and Inflationary Trends

We continued to operate in an environment of elevated macroeconomic uncertainty during the first quarter of 2026. Although inflation has moderated from prior periods, consumer spending patterns and our cost structure remain affected by persistent pricing pressures, impending tariffs, and trade policy developments. Furthermore, heightened geopolitical instability stemming from the ongoing Iran war has exacerbated volatility in energy markets. Broader uncertainty relating to interest rates and these geopolitical tensions also continues to affect the operating environment.

Inflationary conditions and volatility in energy markets could indirectly affect our business by increasing customer bills, particularly in the utility sector, while also contributing to higher operating costs throughout the economy. Rapid increases in energy prices may place added pressure on household budgets, increase delinquencies, or alter payment timing patterns, which could adversely affect transaction mix and collections activity.

These conditions could affect consumer payment behavior in countervailing ways. Consumers experiencing financial strain may defer payments, shift to lower-cost payment methods, or make partial and more frequent payments. While deferrals and lower-cost methods could reduce our average revenue per transaction and overall payment volume, an increase in partial payment activity might increase overall transaction counts.

However, this dynamic may create a compounding effect on our unit economics. Any such increase in transaction

volumes could trigger a proportional rise in our interchange, network, and processing fees. Because these elevated costs of revenue might offset the potential gains from higher transaction counts, this cycle could frequently yield flat net revenue growth. We may be unable to fully offset these interrelated pressures through pricing actions, as any such adjustments typically lag behind the impact of rising costs. As a result, an inability to fully offset these pressures in real-time might continue to adversely affect our margins, operating results, and financial condition.

Additionally, beyond these external economic pressures, our ability to scale efficiently depends on our capacity to quickly hire, train, and retain a high-performing workforce. We offer competitive wages and invest in employee well-being to meet our customers' increasing needs and support our long-term growth. While employee-related costs naturally fluctuate, they have trended upward alongside our business expansion, and we expect this trajectory to continue as we scale.

Non-GAAP Measures

We use supplemental measures of our performance that are derived from our consolidated financial information but which are not presented in our condensed consolidated financial statements prepared in accordance with U.S. generally accepted accounting principles, or GAAP. These supplemental non-GAAP measures include contribution profit, adjusted gross profit, adjusted EBITDA and free cash flow.

Contribution Profit

We calculate contribution profit as gross profit plus other cost of revenue. Other cost of revenue equals cost of revenue less interchange, assessment and other network fees paid by us to our payment processors.

Adjusted Gross Profit

We calculate adjusted gross profit as gross profit adjusted for non-cash items, primarily stock-based compensation and amortization of acquisition-related intangible assets and capitalized software development costs.

Adjusted EBITDA

We calculate adjusted EBITDA as net income before interest income (expense), net, other income (expense), depreciation and amortization of acquisition-related intangible assets and capitalized software development costs, and income taxes, adjusted to exclude the effects of net foreign exchange gain (loss), stock-based compensation expense and certain nonrecurring expenses that management believes are not indicative of ongoing operations.

Free Cash Flow

We calculate free cash flow as net cash provided by (used in) operating activities less capital expenditures, other intangible assets acquired, and capitalized internal-use software development costs.

How we use Non-GAAP Measures

We use non-GAAP measures to supplement financial information presented on a GAAP basis. We believe that excluding certain items from our GAAP results allows management and our board of directors to more fully understand our consolidated financial performance from period to period and helps management project our future consolidated financial performance as forecasts are developed at a level of detail different from that used to prepare GAAP-based financial measures. Moreover, we believe these non-GAAP measures provide our investors with useful information to help them evaluate our operating results by facilitating an enhanced understanding of our operating performance and enabling them to make more meaningful period-to-period comparisons. In particular, we exclude interchange, assessment and other network fees in the presentation of contribution profit because we believe inclusion is less directly reflective of our operating performance as we do not control the payment channel used by consumers, which is the primary determinant of the amount of interchange, assessment and other network fees. We use contribution profit to measure the amount available to fund our operations after interchange and assessment fees, which are directly linked to the number of transactions we process and thus our revenue and gross profit. There are limitations to the use of the non-GAAP measures presented in this report. Our non-GAAP measures may not be comparable to similarly titled measures of other companies; other companies, including companies in our industry, may calculate non-GAAP measures differently than we do, limiting the usefulness of those measures for comparative purposes. These non-GAAP measures should not be considered in isolation from or as a substitute for financial measures prepared in accordance with GAAP.

We also urge you to review the reconciliation of these non-GAAP financial measures included below. To properly and prudently evaluate our business, we encourage you to review the condensed consolidated financial statements and related notes included elsewhere in this report and to not rely on any single financial measure to evaluate our business.

Contribution Profit

	Three Months Ended March 31,	
	2026	2025
	(in thousands)	
Gross profit	\$ 86,232	\$ 66,024
Plus: other cost of revenue	23,467	21,618
Contribution profit	\$ 109,699	\$ 87,642

In general, contribution profit is driven by the number of transactions we process offset by network fees associated with processing those transactions. The amount of contribution profit per transaction may vary due to a variety of factors substantially outside of our control, including client size, type and industry as well as whether the client is a biller, financial institution or other partner. Contribution profit for the three months ended March 31, 2026 increased approximately 25.2%, as compared to the same period in 2025. The increase was driven by growth in transaction count and volume driven from both new and existing billers and financial institutions.

Adjusted Gross Profit

	Three Months Ended March 31,	
	2026	2025
	(in thousands)	
Gross profit	\$ 86,232	\$ 66,024
Stock-based compensation	69	66
Amortization of capitalized software development costs	6,056	5,638
Amortization of acquisition-related intangibles	—	828
Adjusted gross profit	\$ 92,357	\$ 72,556

Adjusted gross profit for the three months ended March 31, 2026 increased 27.3%, as compared to the same period in 2025. Adjusted gross profit is driven primarily by the same factors that impact gross profit with the exception of excluding the amortization and stock-based compensation recorded in cost of revenue. Adjusted gross profit improved in line with contribution profit. Adjusted gross profit as a percentage of contribution profit increased due to realization of economies of scale.

Adjusted EBITDA

	Three Months Ended March 31,	
	2026	2025
	(in thousands)	
Net income — GAAP	\$ 20,881	\$ 13,813
Interest income, net	(2,531)	(2,062)
Provision for income taxes	8,210	3,988
Amortization of capitalized software development costs	8,916	8,426
Amortization of acquisition-related intangibles	817	2,137
Depreciation	159	177
EBITDA	\$ 36,452	\$ 26,479

Adjustments

Foreign exchange gain	(8)	(50)
Stock-based compensation	5,974	3,545
Adjusted EBITDA	\$ 42,418	\$ 29,974

Adjusted EBITDA is a measure of profitability and generally is expected to move in line with revenue, contribution profit, gross profit and adjusted gross profit. Adjusted EBITDA increased 41.5% in the three months ended March 31, 2026, as compared to the same period in 2025. The increase was primarily attributable to higher revenues driven by growth in transaction volumes from both new and existing billers and financial institutions. The rate of growth in Adjusted EBITDA exceeded the rate of growth in both contribution profit and adjusted gross profit, reflecting the operating leverage inherent in our business, as certain operating expenses are largely fixed and did not increase in proportion to the growth in revenue.

Free Cash Flow

	Three Months Ended March 31,	
	2026	2025
	(in thousands)	
Net cash provided by operating activities	\$ 30,452	\$ 50,441
Purchases of property and equipment	(80)	(60)
Capitalized internal-use software development costs	(9,461)	(9,278)
Free cash flow	\$ 20,911	\$ 41,103

The decrease in free cash flow for the three months ended March 31, 2026, as compared to the same period in 2025, was primarily driven by lower cash generated from operations, driven mainly by investment in working capital.

Results of Operations

The following table sets forth our condensed consolidated statements of operations for the periods presented:

Comparison of the Three Months Ended March 31, 2026 and 2025

Revenue

The increase in revenue was primarily driven by an increase in the number of transactions processed, which was driven by the implementation of new billers and increased transactions from our existing billers.

Cost of Revenue, Gross Profit and Gross Margin

The increase in cost of revenue corresponds with higher revenue and transaction volumes, as it consists primarily of interchange fees and processor costs.

While gross profit increased in tandem with revenue growth, gross margin remained flat, as a shift in customer mix towards high-volume enterprise billers with lower margins was offset by improved economies of scale.

Research and Development Expenses

Research and development expenses increased primarily due to higher employee-related costs, including benefits, driven by headcount growth and annual compensation adjustments. The remaining variance was driven by a rise in cloud computing services expenses, reflecting greater utilization of our cloud-based infrastructure and expanded data processing demands, as well as higher amortization of capitalized internal-use software development costs.

Sales and Marketing Expenses

The increase in sales and marketing expenses was primarily driven by higher reseller commissions and employee-related costs.

General and Administrative Expenses

The increase in general and administrative expenses was primarily driven by higher stock-based compensation, elevated employee compensation and related costs, and greater professional and legal fees and insurance premiums related to certain business policies.

Interest income, net

The change in interest income, net, was mainly due to higher cash balances held with banks, offset by lower interest rates.

Income Taxes

The change in provision for income taxes as well as the increase in the Company's effective tax rate, which was 28.2% for the three months ended March 31, 2026, as compared to 22.4% for the same period in the prior year, were primarily due to higher pre-tax income, increased forecasted executive stock-based compensation in 2026 and more significant excess tax benefits on stock-based compensation in 2025.

Liquidity and Capital Resources

Sources and Uses of Funds

As of March 31, 2026, we had \$338.8 million of unrestricted cash and cash equivalents. We believe that existing unrestricted cash and cash equivalents will be sufficient to support our working capital, capital expenditure requirements, and other commitments described in Note 8, for at least the next 12 months. Since inception, we have financed operations primarily through the sale of equity securities and revenue from payment transaction fees. Our principal uses of cash are funding operations, which primarily consist of employee-related costs, payments to third parties to fulfill our payment transactions and payments to sales and marketing partners. Although this is subject to change based on market opportunities or changing priorities, we currently do not have any material planned capital expenditures or acquisitions in the next 12 months.

From time to time, we may explore additional financing sources and means to lower our cost of capital, which could include equity, equity-linked and debt financing. We cannot assure you that any additional financing will be available to us on acceptable terms, or at all. The inability to raise capital would adversely affect our ability to achieve our business objectives. If we raise additional funds by issuing equity or equity-linked securities, the ownership of our existing stockholders will be diluted. If we raise additional financing by the incurrence of indebtedness, we may be subject to increased fixed payment obligations and could be subject to additional restrictive covenants, such as limitations on our ability to incur additional debt, and other operating restrictions that could adversely impact our ability to conduct our business or execute our growth strategy. Any future indebtedness we incur may result in terms that could be unfavorable to equity investors.

Historical Cash Flows

The following table summarizes our condensed consolidated statements of cash flows:

	Three Months Ended March 31,	
	2026	2025
	(in thousands)	
Net cash provided by (used in)		
Operating activities	\$ 30,452	\$ 50,441
Investing activities	(9,443)	(8,287)

Effects of foreign exchange on cash	(136)	(25)
Net increase in cash, cash equivalents and restricted cash	<u>\$ 17,590</u>	<u>\$ 40,237</u>

Net Cash Provided by Operating Activities

Our primary source of operating cash is revenue from payment transaction fees. Our primary uses of operating cash are personnel-related costs, payments to third parties to fulfill our payment transactions and payments to sales and marketing partners. Net cash provided by operating activities for the three months ended March 31, 2026 was \$30.5 million. Net income was \$20.9 million, adjusted for non-cash charges of \$16.9 million, consisting primarily of depreciation and amortization, stock-based compensation, amortization of capitalized contract acquisition costs and warrant cost, non-cash lease expense and provision for expected credit losses, which contributed positively to cash provided from operating activities. This was offset by net cash outflows of \$7.3 million due to changes in our operating assets and liabilities.

Net cash provided by operating activities for the three months ended March 31, 2025 was \$50.4 million. Net income was \$13.8 million, adjusted for non-cash charges of \$14.2 million consisting primarily of depreciation and amortization, stock-based compensation, amortization of capitalized contract acquisition costs and warrant cost, non-cash lease expense and provision for expected credit losses, which contributed positively to cash provided from operating activities. This was additionally supported by net cash inflows of \$22.4 million provided by changes in our operating assets and liabilities.

Net Cash Used in Investing Activities

Net cash used in investing activities for the three months ended March 31, 2026 consisted of \$9.5 million of capitalized internal-use software development costs and \$0.1 million of purchases of property and equipment, which was offset by \$0.1 million cash inflow from net change in interest-bearing deposits.

Net cash used in investing activities for the three months ended March 31, 2025 consisted of \$9.3 million of capitalized internal-use software development costs and \$0.1 million of purchases of property and equipment, which was offset by \$1.1 million cash inflow from net change in interest-bearing deposits.

Net Cash Used in Financing Activities

Net cash used in financing activities for the three months ended March 31, 2026 consisted primarily of \$3.3 million of payments of taxes withheld on net settled vesting of restricted stock units.

Net cash used in financing activities for the three months ended March 31, 2025 consisted primarily of \$1.9 million of payments of taxes withheld on net settled vesting of restricted stock units, which was offset by \$0.1 million of proceeds from the exercise of stock-based awards by employees.

Critical Accounting Policies and Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and disclosures of contingencies at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Our significant accounting policies are described in Note 2, "Basis of Presentation and Summary of Significant Accounting Policies" to our consolidated financial statements included in our 2025 Form 10-K. There have been no material changes in our critical accounting policies and estimates since December 31, 2025.

Recent Accounting Pronouncements

See Note 2 "Basis of Presentation and Summary of Significant Accounting Policies" in the unaudited condensed consolidated financial statements included elsewhere in this Quarterly Report for a full description of recent accounting pronouncements, including the respective dates of adoption or expected adoption and effects on our condensed consolidated financial statements contained in Item 1 of this Quarterly Report.

Item 3. Quantitative and Qualitative Disclosures about Market Risk.

There have been no material changes in our exposures to market risk since December 31, 2025. For details on the Company's interest rate and foreign currency exchange, see Part I, Item 7A. "Quantitative and Qualitative Information About Market Risk" in our 2025 Form 10-K.

Item 4. Controls and Procedures***Evaluation of Disclosure Controls and Procedures***

We maintain disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended ("the Exchange Act")), that are designed to ensure that information required to be disclosed in our reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the SEC's rules and forms and that such information is accumulated and communicated to our management, including our Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely decisions regarding required disclosures. Any controls and procedures, no matter how well designed and operated, can provide only reasonable assurance of achieving the desired control objectives.

Our management, with the participation of our Chief Executive Officer and Chief Financial Officer, has evaluated the effectiveness of our disclosure controls and procedures as of March 31, 2026, the end of the period covered by this Quarterly Report on Form 10-Q. Based on such evaluation, our Chief Executive Officer and Chief Financial Officer have concluded that, as of such date, our disclosure controls and procedures were effective at the reasonable assurance level.

Changes in Internal Control over Financial Reporting

There were no changes in our internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) during the three months ended March 31, 2026 that have materially affected, or are reasonably likely to materially affect, our internal control over financial reporting.

Inherent Limitations on Effectiveness of Controls

Management does not expect that our disclosure controls and procedures or our internal control over financial reporting will prevent or detect all errors and all fraud. A control system, no matter how well conceived and operated, can provide only reasonable, not absolute, assurance that the objectives of the control system are met. Because of the inherent limitations in all control systems, no evaluation of controls can provide absolute assurance that all control issues and instances of fraud, if any, within the company have been detected. The design of any system of controls also is based in part upon certain assumptions about the likelihood of future events, and there can be no assurance that any design will succeed in achieving its stated goals under all potential future conditions. Over time, controls may become inadequate because of changes in conditions, or the degree of compliance with the policies or procedures may deteriorate. Because of the inherent limitations in a cost-effective control system, misstatements due to error or fraud may occur and not be detected.

PART II—OTHER INFORMATION

Item 1. Legal Proceedings.

From time to time, we may be involved in claims, regulatory examinations or investigations and legal proceedings arising in the ordinary course of our business. The outcome of any such claims or proceedings, regardless of the merits, and the Company's ultimate liability, if any, is inherently uncertain. Furthermore, we may become subject to stockholder inspection demands under Delaware law and derivative or other similar litigation. From time to time as appropriate, we accrue liabilities related to legal claims in our financial statements. We are not currently party to any material legal proceedings, and we are not aware of any pending or threatened legal proceeding against us that we believe could have a material adverse effect on our business, operating results, cash flows or financial condition.

2021 EQUITY INCENTIVE PLAN
RESTRICTED STOCK UNIT AGREEMENT
TERMS AND CONDITIONS OF RESTRICTED STOCK UNIT GRANT

1. **Grant of Restricted Stock Units.** Paymentus Holdings, Inc. (the “**Company**”) hereby grants to the individual (“**Participant**”) named in the Notice of Restricted Stock Unit Grant of this Award Agreement (the “**Notice of Grant**”) under the Plan an Award of Restricted Stock Units, subject to the terms and conditions of this Award Agreement and the Plan, which is incorporated herein by reference. Subject to Section 20 of the Plan, in the event of a conflict between the terms and conditions of the Plan and this Award Agreement, the terms and conditions of the Plan shall prevail.

2. **Company’s Obligation to Pay.** Each Restricted Stock Unit represents the right to receive a share of the Company’s Class A common stock (a “**Share**”) on the date it vests. Unless and until the Restricted Stock Units will have vested in the manner set forth in Section 3 or 4, Participant will have no right to payment of any such Restricted Stock Units. Prior to actual payment of any vested Restricted Stock Units, such Restricted Stock Unit will represent an unsecured obligation of the Company, payable (if at all) only from the general assets of the Company.

3. **Vesting Schedule/Suspension of Vesting.** Except as provided in Section 4, and subject to Section 5, the Restricted Stock Units awarded by this Award Agreement will vest in accordance with the vesting provisions set forth in the Notice of Grant. Unless specifically provided otherwise in this Award Agreement or other written agreement authorized by the Administrator between Participant and the Company or any Parent or Subsidiary of the Company, as applicable, governing the terms of this Award, Restricted Stock Units scheduled to vest on a certain date or upon the occurrence of a certain condition will not vest in accordance with any of the provisions of this Award Agreement, unless Participant will have been continuously a Service Provider from the Grant Date until the date such vesting occurs. Notwithstanding the forgoing, and to the extent permitted by applicable law, Participant acknowledges and agrees that vesting of the Restricted Stock Units awarded by this Award Agreement may be suspended or rescinded (with respect to all unvested Restricted Stock Units under this Award), at the Company’s or its Chief Executive Officer’s sole discretion upon notice (a “**Suspension Notice**”) (email shall suffice) to Participant that Participant is (i) not in material compliance with Company policies, or (ii) not performing the essential functions of the Participant’s job, not dedicating his or her full time and attention to the Company, is insubordinate to a supervisors’ reasonable request, or providing substandard performance, or (iii) engaging in any act or omission deemed to be against the best interests of the Company, unsafe, threatening or violent activity or conduct, or any other conduct that could reasonably be perceived as damaging the Company’s reputation or interfering with its business interests. Any such Suspension Notice shall provide sufficient detail regarding the basis for suspension. Vesting shall resume, upon written notice (email shall suffice) that Participant has cured all deficiencies stated in the Suspension Notice in all material respects. During the period a Suspension Notice is outstanding (a “**Suspension Period**”), Participant will forfeit all unvested Restricted Stock Units under this Award that would have otherwise vested during the Suspension Period; provided however, at the Company or the Chief Executive Officer’s sole discretion, upon the resumption of vesting, (a) any Restricted Stock Units under this Award that would have otherwise vested during the Suspension Period shall not be forfeited and shall

vest on the next scheduled vesting date as set forth in the Notice of Grant, or (b) the number of Quarterly Vesting Dates occurring during the Suspension Period will be added to the end of the original Vesting Schedule (“**Delayed Vesting Dates**”) set forth in the Notice of Grant and any Restricted Stock Units under this Award that would have otherwise been forfeited during the Suspension Period shall instead vest in equal amounts on the Delayed Vesting Dates.

Consistent with Section 9(e) of this Award Agreement and for the avoidance of doubt, Participant further acknowledges, notwithstanding anything to the contrary anywhere in this Award Agreement or any other employment or other agreement Participant has with the Company, that unless this Award is provided in accordance with the terms of the Participant’s employment agreement or signed offer letter with the Company, this Award is solely discretionary and is not and shall not be deemed part of Participant’s normal or expected compensation and is only provided as an additional compensation designed for Participant to perform their duty over and above what is covered in the normal or expected compensation and employment agreement or offer letter. This Award is not part of Participant’s regular compensation and salary with the Company, and as such Participant is not entitled to this Award as part of Participant’s employment with or service to the Company. Therefore, actions taken in accordance with the terms of this Award are not and shall not be deemed as changing employment salary or terms of the Participant’s employment or service with the Company.

4. **Payment after Vesting.**

(a) **General Rule.** Subject to Section 7, any Restricted Stock Units that vest will be paid to Participant (or in the event of Participant’s death, to his or her properly and validly designated beneficiary or estate) in whole Shares. Subject to the provisions of Section 4(c), such vested Restricted Stock Units shall be paid in whole Shares as soon as practicable after vesting, but in each such case within sixty (60) days following the vesting date. In no event will Participant be permitted, directly or indirectly, to specify the taxable year of payment of any Restricted Stock Units payable under this Award Agreement.

(b) **Discretionary Acceleration.** The Administrator, in its discretion, may accelerate the vesting of the balance, or some lesser portion of the balance, of the unvested Restricted Stock Units at any time, subject to the terms of the Plan. If so accelerated, such Restricted Stock Units will be considered as having vested as of the date specified by the Administrator.

(c) **Section 409A.**

(i) If Participant is a U.S. taxpayer, the payment of Shares vesting pursuant to this Award Agreement (including any discretionary acceleration under Section 4(b)) shall in all cases be paid at a time or in a manner that is exempt from, or complies with, Section 409A. The prior sentence may be superseded in a future agreement or amendment to this Award Agreement only by direct and specific reference to such sentence.

(ii) It is the intent of this Award Agreement that it and all payments and benefits to U.S. taxpayers hereunder be exempt from, or comply with, the requirements of Section 409A so that none of the Restricted Stock Units provided under this Award Agreement or Shares issuable thereunder will be subject to the additional tax imposed under Section 409A, and any ambiguities or ambiguous terms herein will be interpreted to be so exempt or so comply. Each

payment payable under this Award Agreement is intended to constitute a separate payment for purposes of Treasury Regulations Section 1.409A-2(b)(2). To the extent necessary to comply with Section 409A, references to termination of Participant's status as a Service Provider or similar phrases will be references to Participant's "separation from service" within the meaning of Section 409A. In no event will the Company or any Parent or Subsidiary of the Company have any responsibility, liability, or obligation to reimburse, indemnify, or hold harmless Participant (or any other person) for any taxes, penalties and interest that may be imposed, or other costs that may be incurred, as a result of Section 409A.

5. Forfeiture Upon Termination as a Service Provider. Unless specifically provided otherwise in this Award Agreement or other written agreement authorized by the Administrator between Participant and the Company or any of its Subsidiaries or Parents, as applicable, governing the terms of this Award, if Participant ceases to be a Service Provider for any or no reason, the then-unvested Restricted Stock Units awarded by this Award Agreement will thereupon be forfeited at no cost to the Company and Participant will have no further rights thereunder.

6. Death of Participant. Any distribution or delivery to be made to Participant under this Award Agreement, if Participant is then deceased, will be made to Participant's designated beneficiary: provided, however, that the Administrator has permitted the designation and such designation is valid under Applicable Laws. If no beneficiary survives Participant, or if the designation was not permitted by the Administrator or not valid under Applicable Laws, distribution or delivery shall be made to the administrator or executor of Participant's estate. Any such transferee must furnish the Company with (a) written notice of his or her status as transferee, and (b) evidence satisfactory to the Company to establish the validity of the transfer and compliance with any laws or regulations pertaining to said transfer.

7. Tax Obligations

(a) **Responsibility for Taxes.** Participant shall bear all expense of, and be solely responsible for, any tax and/or social insurance liability obligations and requirements in connection with the Restricted Stock Units, including, without limitation, (i) all federal, state, and local taxes or other tax-related items related to Participant's participation in the Plan and legally applicable or deemed legally applicable to Participant, (ii) Participant's and, to the extent required by the Company, the Company's fringe benefit tax liability, if any, associated with the grant, vesting, or settlement of the Restricted Stock Units or sale of Shares, and (iii) any other Company taxes the responsibility for which Participant has, or has agreed to bear, with respect to the Restricted Stock Units (or settlement thereof or issuance of Shares thereunder) (collectively, the "**Tax Obligations**"). Participant further acknowledges that the Company (A) makes no representations or undertakings regarding the treatment of any Tax Obligations in connection with any aspect of the Restricted Stock Units, including, but not limited to, the grant, vesting or settlement of the Restricted Stock Units, the subsequent sale of Shares acquired pursuant to such settlement and the receipt of any dividends or other distributions, and (B) makes no commitment to and is under no obligation to structure the terms of the grant or any aspect of the Restricted Stock Units to reduce or eliminate Participant's liability for Tax Obligations or achieve any particular tax result.

(b) **Tax Consequences.** Participant has reviewed with his or her own tax advisers the U.S. federal, state, local and non-U.S. tax consequences of this investment and the transactions

contemplated by this Award Agreement. With respect to such matters, Participant relies solely on such advisers and not on any statements or representations of the Company or any of its agents, written or oral. Participant understands that Participant (and not the Company) shall be responsible for Participant's own tax liability that may arise as a result of this investment or the transactions contemplated by this Award Agreement.

8. Rights as Stockholder. Neither Participant nor any person claiming under or through Participant will have any of the rights or privileges of a stockholder of the Company in respect of any Shares deliverable hereunder unless and until certificates representing such Shares (which may be in book entry form) will have been issued, recorded on the records of the Company or its transfer agents or registrars, and delivered to Participant (including through electronic delivery to a brokerage account). After such issuance, recordation and delivery, Participant will have all the rights of a stockholder of the Company with respect to voting such Shares and receipt of dividends and distributions on such Shares.

9. No Guarantee of Continued Service. PARTICIPANT ACKNOWLEDGES AND AGREES THAT THE VESTING OF THE RESTRICTED STOCK UNITS PURSUANT TO THE VESTING SCHEDULE HEREOF IS EARNED ONLY BY CONTINUING AS A SERVICE PROVIDER. PARTICIPANT FURTHER ACKNOWLEDGES AND AGREES THAT THIS AWARD AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREUNDER AND THE VESTING SCHEDULE SET FORTH HEREIN SHALL NOT BE INTERPRETED AS FORMING OR AMENDING A SERVICE CONTRACT AND DO NOT CONSTITUTE AN EXPRESS OR IMPLIED PROMISE OF CONTINUED ENGAGEMENT AS A SERVICE PROVIDER FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL.

10. Grant is Not Transferable. Except to the limited extent provided in Section 6, this Award and the rights and privileges conferred hereby will not be transferred, assigned, pledged or hypothecated in any way (whether by operation of law or otherwise) and will not be subject to sale under execution, attachment or similar process. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of this Award, or any right or privilege conferred hereby, or upon any attempted sale under any execution, attachment or similar process, this Award and the rights and privileges conferred hereby immediately will become null and void.

11. Nature of Grant. In accepting this Award of Restricted Stock Units, Participant acknowledges, understands and agrees that:

(a) the grant of the Restricted Stock Units is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of Restricted Stock Units, or benefits in lieu of Restricted Stock Units, even if Restricted Stock Units have been granted in the past;

(b) all decisions with respect to future Restricted Stock Units or other grants, if any, will be at the sole discretion of the Administrator;

(c) Participant is voluntarily participating in the Plan;

(d) the future value of the Shares underlying the Restricted Stock Units is unknown, indeterminable, and cannot be predicted with certainty;

(e) for purposes of the Restricted Stock Units, Participant's status as a Service Provider will be considered terminated as of the date Participant is no longer actively providing services to the Company or any Parent or Subsidiary (regardless of the reason for such termination), and unless otherwise expressly provided in this Award Agreement (including by reference in the Notice of Grant to other arrangements or contracts) or determined by the Administrator, Participant's right to vest in the Restricted Stock Units under the Plan, if any, will terminate as of such date and will not be extended by any notice period. The Administrator shall have the exclusive discretion to determine when Participant is no longer actively providing services for purposes of this Award of Restricted Stock Units (including whether Participant may still be considered to be providing services while on a leave of absence and consistent with Applicable Laws).

(f) unless otherwise provided in the Plan or by the Administrator in its discretion, the Restricted Stock Units and the benefits evidenced by this Award Agreement do not create any entitlement to have the Restricted Stock Units or any such benefits transferred to, or assumed by, another company nor be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares; and

(g) the following provisions apply only if Participant is providing services outside the United States:

(i) the Restricted Stock Units and the Shares subject to the Restricted Stock Units, and the income from and value of same, are not part of normal or expected compensation for any purpose;

(ii) the Company shall not be liable for any foreign exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the Restricted Stock Units or of any amounts due to Participant pursuant to the settlement of the Restricted Stock Units or the subsequent sale of any Shares acquired upon settlement; and

(iii) no claim or entitlement to compensation or damages shall arise from forfeiture of the Restricted Stock Units resulting from the termination of Participant's status as a Service Provider (for any reason whatsoever), and in consideration of the grant of the Restricted Stock Units to which Participant is otherwise not entitled, Participant irrevocably agrees never to institute any claim against the Company, waives his or her ability, if any, to bring any such claim, and releases the Company from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, Participant shall be deemed irrevocably to have agreed not to pursue such claim and agrees to execute any and all documents necessary to request dismissal or withdrawal of such claim.

12.Restrictive Covenants. In consideration of this grant of Restricted Stock Units, Participant agrees to the restrictive covenants set forth in Appendix 2 to this Award Agreement, the terms of which are incorporated by reference.

13.No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding Participant's participation in the Plan, or Participant's acquisition or sale of the Shares underlying the Restricted Stock Units. Participant is hereby advised to consult with his or her own personal tax, legal and

financial advisers regarding his or her participation in the Plan before taking any action related to the Plan.

14.Data Privacy. *Participant hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of Participant's personal data as described in this Award Agreement and any other Restricted Stock Unit grant materials by the Company for the exclusive purpose of implementing, administering and managing Participant's participation in the Plan.*

Participant understands that the Company may hold certain personal information about Participant, including, but not limited to, Participant's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any Shares or directorships held in the Company, details of all Restricted Stock Units or any other entitlement to Shares awarded, canceled, exercised, vested, unvested or outstanding in Participant's favor ("Data"), for the exclusive purpose of implementing, administering and managing the Plan.

Participant understands that Data will be transferred to a third-party stock plan service provider, which is assisting the Company with the implementation, administration and management of the Plan. Participant understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country of operation (e.g., the United States) may have different data privacy laws and protections than Participant's country. Participant understands that if he or she resides outside the United States, he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. Participant authorizes the Company, any stock plan service provider selected by the Company and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing his or her participation in the Plan. Participant understands that Data will be held only as long as is necessary to implement, administer and manage Participant's participation in the Plan. Participant understands if he or she resides outside the United States, he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing the Company's local human resources representative. Further, Participant understands that he or she is providing the consents herein on a purely voluntary basis. If Participant does not consent, or if Participant later seeks to revoke his or her consent, his or her status as a Service Provider will not be adversely affected. The only adverse consequence of refusing or withdrawing Participant's consent is that the Company would not be able to grant Participant Restricted Stock Units or other equity awards or administer or maintain such awards. Therefore, Participant understands that refusing or withdrawing his or her consent may affect Participant's ability to participate in the Plan. For more information on the consequences of Participant's refusal to consent or withdrawal of consent, Participant understands that he or she may contact the Company's local human resources representative.

15.Address for Notices. Any notice to be given to the Company under the terms of this Award Agreement will be addressed to the Company at Paymentus Holdings, Inc., 11605 N. Community House Road, Suite 300, Charlotte, NC 28277, Attention: General Counsel, or at such other address as the Company may hereafter designate in writing.

16.Successors and Assigns. The Company may assign any of its rights under this Award Agreement to single or multiple assignees, and this Award Agreement shall inure to the benefit of the successors and assigns of the Company. Subject to the restrictions on transfer herein set forth, this Award Agreement shall be binding upon Participant and Participant's heirs, executors, administrators, successors and assigns. The rights and obligations of Participant under this Award Agreement may be assigned only with the prior written consent of the Company.

17.Additional Conditions to Issuance of Stock. If at any time the Company will determine, in its discretion, that the listing, registration, qualification or rule compliance of the Shares upon any securities exchange or under any state, federal or non-U.S. law, the tax code and related regulations or under the rulings or regulations of the U.S. Securities and Exchange Commission or any other governmental regulatory body or the clearance, consent or approval of the U.S. Securities and Exchange Commission or any other governmental regulatory authority is necessary or desirable as a condition to the issuance of Shares to Participant (or his or her estate) hereunder, such issuance will not occur unless and until such listing, registration, qualification, rule compliance, clearance, consent or approval will have been completed, effected or obtained free of any conditions not acceptable to the Company. Subject to the terms of the Award Agreement and the Plan, the Company will not be required to issue any certificate or certificates for (or make any entry on the books of the Company or of a duly authorized transfer agent of the Company of) the Shares hereunder prior to the lapse of such reasonable period of time following the date of vesting of the Restricted Stock Units as the Administrator may establish from time to time for reasons of administrative convenience.

18.Language. Participant acknowledges that Participant is sufficiently proficient in the English language, or has consulted with an adviser who is sufficiently proficient in the English language, so as to allow Participant to understand the terms and conditions of this Award Agreement. If Participant has received this Award Agreement or any other document related to the Plan translated into a language other than the English language and if the meaning of the translated version is different than the English version, the English language version will control.

19.Interpretation. The Administrator will have the power to interpret the Plan and this Award Agreement and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret or revoke any such rules (including, but not limited to, the determination of whether or not any Restricted Stock Units have vested). All actions taken and all interpretations and determinations made by the Administrator in good faith will be final and binding upon Participant, the Company and all other interested persons. Neither the Administrator nor any person acting on behalf of the Administrator will be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or this Award Agreement.

20.Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to the Restricted Stock Units awarded under the Plan or future Restricted Stock Units that may be awarded under the Plan by electronic means or require Participant to participate in the Plan by electronic means. Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through any on-line or electronic system established and maintained by the Company or a third party designated by the Company.

21.Captions. Captions provided herein are for convenience only and are not to serve as a basis for interpretation or construction of this Award Agreement.

22. Amendment, Suspension or Termination of the Plan. By accepting this Award, Participant expressly warrants that he or she has received an Award of Restricted Stock Units under the Plan, and has received, read and understood a description of the Plan. Participant understands that the Plan is discretionary in nature and may be amended, suspended or terminated by the Administrator at any time.

23. Country Addendum. Notwithstanding any provisions in this Award Agreement, the Restricted Stock Unit grant shall be subject to any additional terms and conditions set forth in the Country Addendum (if any) for any country whose laws are applicable to Participant and this Award of Restricted Stock Units (as determined by the Administrator in its sole discretion). Moreover, if Participant relocates to one of the countries included in the Country Addendum, the additional terms and conditions for such country will apply to Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The Country Addendum (if any) constitutes a part of this Award Agreement.

24. Modifications to the Award Agreement. This Award Agreement constitutes the entire understanding of the parties on the subjects covered. Participant expressly warrants that he or she is not accepting this Award Agreement in reliance on any promises, representations, or inducements other than those contained herein. Modifications to this Award Agreement can be made only in an express written contract executed by a duly authorized officer of the Company. Notwithstanding anything to the contrary in the Plan or this Award Agreement, the Company reserves the right to revise this Award Agreement as it deems necessary or advisable, in its sole discretion and without the consent of Participant, to comply with Section 409A or to otherwise avoid imposition of any additional tax or income recognition under Section 409A in connection with this Award of Restricted Stock Units.

25. No Waiver. Either party's failure to enforce any provision or provisions of this Award Agreement shall not in any way be construed as a waiver of any such provision or provisions, nor prevent that party from thereafter enforcing each and every other provision of this Award Agreement. The rights granted both parties herein are cumulative and shall not constitute a waiver of either party's right to assert all other legal remedies available to it under the circumstances.

26. Insider Trading/Market Abuse Laws. Participant acknowledges that Participant may be subject to insider trading restrictions and/or market abuse laws based on the exchange on which the Shares are listed and in applicable jurisdictions including, but not limited to, the United States and Participant's country of residence, which may affect Participant's ability to acquire or sell Shares or rights to Shares (e.g., Restricted Stock Units) under the Plan during such time as Participant is considered to have "inside information" regarding the Company (as defined by the laws in the applicable jurisdictions). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders Participant placed before Participant possessed inside information. Furthermore, Participant could be prohibited from (i) disclosing the inside information to any third party and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Participant should keep in mind that third parties include employees of the Company. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable insider trading policy of the Company. Participant is responsible for ensuring compliance with any applicable restrictions and should consult with his or her personal legal advisor on this matter.

27. Governing Law. This Award Agreement and the Restricted Stock Units are governed by the internal substantive laws, but not the choice of law rules, of the State of Delaware.

28. Dispute Resolution. To the full extent allowed by applicable law, and as further provided in or modified by Appendix 1, the Participant and the Company agree that any claim, action, dispute or controversy of any kind arising out of or relating to this Award Agreement and the Restricted Stock Units shall be resolved by mandatory and binding arbitration. All questions, including but not limited to arbitrability shall be determined by the arbitrator. The arbitration will be administered by the American Arbitration Association (“AAA”) in accordance with its Commercial Arbitration Rules and the Federal Arbitration Act. The arbitration shall be conducted in Charlotte, North Carolina or Dallas, Texas, by a single arbitrator appointed in accordance with the AAA Rules, provided however that the arbitrator shall prepare a written decision containing the essential findings and conclusions on which the award is based so as to ensure meaningful judicial review of the decision. The arbitrator shall decide any dispute in accordance with the substantive law of Delaware.

This Agreement does not limit the right of the Company or Participant to seek any provisional remedy, including, without limitation, injunctive or similar relief, from any court of competent jurisdiction as may be necessary to protect the Company’s or Participant’s rights and interests pending the outcome of an arbitration including but not limited to claims for violation of any non-disclosure or other agreement between Participant and the Company for the protection of confidential and proprietary information and trade secrets and/or invention assignment.

Participant and the Company agree that any dispute or claim arising out of or relating to this agreement shall be brought, heard, and arbitrated only on an individual basis, and not as a plaintiff or class member in any purported class, collective, or representative action. The arbitrator shall not have the authority to consolidate the claims of other parties into a single proceeding, nor to certify a class action.

Either the Company or Participant may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award, and shall be entitled to recover fees and costs associated with any such motion to compel arbitration or to enforce an arbitration award. Otherwise, except as provided in this Section 28, neither the Company nor Participant shall initiate or prosecute any lawsuit or claim in any way related to any arbitrable claim, including without limitation any claim as to the making, existence, validity, arbitrability or enforceability of this Agreement.

29. Severability. In the event that any provision hereof becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Award Agreement shall continue in full force and effect

30. Entire Agreement. The Plan is incorporated herein by reference. The Plan and this Award Agreement (including the exhibits, appendices, and addenda attached to the Notice of Grant) constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Participant with respect to the subject matter hereof, and may not be modified adversely to Participant’s interest except by means of a writing signed by the Company and Participant. Notwithstanding the foregoing, the restrictive covenants set forth in Appendix 2 do not supersede or in any way modify any other restrictive

covenants applicable to Participant in any agreement with the Company or any Parent or Subsidiary of the Company.

APPENDIX 1

PAYMENTUS HOLDINGS, INC. 2021 EQUITY INCENTIVE PLAN COUNTRY ADDENDUM TO RESTRICTED STOCK UNIT AGREEMENT

Unless otherwise defined herein, capitalized terms used in this Country Addendum to Restricted Stock Unit Agreement (the “**Country Addendum**”) will be ascribed the same defined meanings as set forth in the Restricted Stock Unit Agreement of which this Country Addendum forms a part (or the Plan or other written agreement as specified in the Restricted Stock Unit Agreement). If you are an independent contractor, any reference to a “Participant’s employment” with the Company in this Country Addendum shall be deemed to mean service with the Company or its Parents or Subsidiaries pursuant to your independent contractor agreement(s) with the Company or its Parents or Subsidiaries.

Terms and Conditions

This Country Addendum includes additional terms and conditions that govern the Award of Restricted Stock Units granted to Participant under the Plan to the extent Participant resides and/or works in one of the countries listed below. If Participant is a citizen or resident (or is considered as such for local law purposes) of a country other than the country in which Participant is currently residing and/or working, or if Participant transfers employment and/or residency to another country after the Award of Restricted Stock Units is granted, the Company, in its discretion, will determine to what extent the terms and conditions contained herein will apply to Participant.

Notifications

This Country Addendum also includes information regarding securities laws, exchange controls and certain other issues of which Participant should be aware with respect to Participant’s participation in the Plan. The information is provided solely for Participant’s convenience and is based on the securities, exchange control and other Applicable Laws in effect in the respective countries as of **March 2026**. Such Applicable Laws often are complex and change frequently. As a result, the Company strongly recommends that Participant not rely on the information in this Country Addendum as the only source of information relating to the consequences of Participant’s participation in the Plan because the information may be out of date at the time Participant vests in or receives or sells the Shares covered by the Restricted Stock Units.

In addition, the information contained in this Country Addendum is general in nature and may not apply to Participant’s particular situation, and the Company is not in a position to assure Participant of any particular result. Participant should seek appropriate professional advice as to how the Applicable Laws in Participant’s country may apply to his or her situation.

Finally, if Participant is a citizen or resident (or is considered as such for local law purposes) of a country other than the one in which Participant currently is residing and/or working, or if Participant transfers residence and/or employment to another country after the grant of the Restricted Stock Units, the information in this Country Addendum may not apply to Participant in the same manner.

CANADA

Terms and Conditions

Settlement of Restricted Stock Units. Notwithstanding any discretion in Section 9.4 of the Plan and without prejudice to Section 7 of the Restricted Stock Unit Agreement, Restricted Stock Units will be settled in Shares only, not in cash.

Termination. The following provision replaces the second paragraph of Sections 5 and 11(h) of the Restricted Stock Unit Agreement in its entirety:

For purposes of the Restricted Stock Units, Participant's status as a Service Provider will be considered terminated (regardless of the reason for such termination) as of the date that is the earliest of: (i) the date of termination of Participant's status as a Service Provider, (ii) the date on which Participant receives notice of termination of his or her status as a Service Provider, and (iii) the date on which Participant ceases to be providing services to the Company, the Company or any other Subsidiary or Parent of the Company, which date shall not be extended by any notice period or period of pay in lieu of such notice mandated under the terms of Participant's service agreement, if any. The Administrator shall have the exclusive discretion to determine when Participant no longer is actively providing services for purposes of the Award.

Language. The parties acknowledge that it is Participant's express wish that the Restricted Stock Unit Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English.

Les parties reconnaissent que le participant souhaite expressément que le contrat d'attribution, ainsi que tous les documents, avis et procédures judiciaires conclus, donnés ou intentés en vertu des présentes ou s'y rapportant directement ou indirectement, soient rédigés en anglais.

Data Privacy. This provision supplements Section 14 of the Restricted Stock Unit Agreement:

Participant hereby authorizes the Company, and any agents or representatives to (i) discuss with and obtain all relevant information from all personnel, professional or non-professional, involved in the administration and operation of the Plan, and (ii) disclose and discuss any and all information relevant to the Plan with their advisers. Participant further authorizes the Company and any agents or representatives to record such information and to keep such information in Participant's file.

Notifications

Securities Law Notification. Participant is permitted to sell Shares acquired under the Plan through the designated broker appointed under the Plan, if any, provided the resale of Shares acquired under the Plan takes place outside Canada through the facilities of the exchange on which the Shares are then listed.

Binding Arbitration / Waiver of Jury Trial

Participant and the Company mutually agree to waive, to the fullest extent permitted under applicable law, their respective rights to resolution of disputes in a court of law by a judge or jury and agree to resolve any dispute by arbitration as set forth below. This agreement to arbitrate ("Arbitration

Agreement”) survives after the Award Agreement terminates or Participant’s relationship with the Company ends. To the fullest extent permitted under applicable law, any arbitration under this Arbitration Agreement will take place on an individual basis, and class arbitrations are not permitted.

Except as expressly provided below and above, this Arbitration Agreement applies to all disputes between Participant and the Company, including the Company’s affiliates, subsidiaries, parents, successors and assigns, and each of their respective officers, directors, employees, agents, or shareholders (each a “Claim” and collectively, “Claims”) These Claims include, to the fullest extent permitted under applicable law, but are not limited to, any dispute or claim, whether based on past, present, or future events, arising out of or relating to the Award Agreement and prior versions thereof (including the breach, termination, enforcement, interpretation or validity thereof), Participant’s relationship with the Company, and all other common law claims between Participant and the Company or its affiliates and their respective employees, officers, directors and shareholders. To the fullest extent permissible under applicable law, disputes concerning the arbitrability of a Claim (including disputes about the scope, applicability, enforceability, revocability, or validity of the Arbitration Agreement) shall be decided by the arbitrator.

For clarity, Participant and the Company agree that this Arbitration Agreement does not affect any of Participant’s statutory rights under any minimum standards legislation, and Participant is not restricted from commencing a complaint to the appropriate governmental authority under any minimum standards legislation including but not limited to the local minimum employment standards legislation, the local occupational health and safety legislation, the local pay equity legislation, the local workplace safety insurance legislation; in Ontario, the *Employment Standards Act, 2000*, S.O. 2000, c. 41, *Occupational Health and Safety Act*, R.S.O. 1990, c. O.1, *Pay Equity Act*, R.S.O. 1990, c. P.7, *Workplace Safety and Insurance Act*, 1997, S.O. 1997, c. 16, Sched. A; and other similar legislation in every other province and territory (if applicable). Furthermore, Participant and the Company agree that, to the fullest extent permitted under applicable law, disputes involving alleged breaches of the local human rights code or legislation shall be resolved by arbitration; but nothing in this Arbitration Agreement limits or waives any of Participant’s substantive rights under local human rights code or legislation.

By agreeing to arbitration, Participant understands that Participant and the Company are waiving the right to sue in court or have a jury trial for any Claim or Claims, except as otherwise provided in this Arbitration Agreement or required by applicable law. This Arbitration Agreement is intended to require arbitration of every claim or dispute that can lawfully be arbitrated.

Prohibition of Class Actions and Non-Individualized Relief. Participant understands and agrees that, to the fullest extent permissible under applicable law, Participant and the Company may each bring claims in arbitration against the other only in an individual capacity and not on a class, collective or representative basis (“Class Action Waiver”). Participant understands and agrees that Participant and the Company both are waiving the right to pursue or have a dispute resolved as a plaintiff or class member in any purported class, collective or representative proceeding. An arbitrator appointed pursuant to this arbitration agreement shall have no authority to consider or resolve any claim or issue any relief on any basis other than an individual basis. The arbitrator shall have no authority to consider or resolve any claim or issue any relief on a class, collective, or representative basis. Notwithstanding any other provision of this Award Agreement, or the Arbitration Agreement, or the Alternative Dispute Resolution Institute of Canada Inc. Arbitration Rules, disputes regarding the scope, applicability, enforceability, revocability or validity of the Class Action Waiver may be resolved only by a civil court of competent jurisdiction and not by an arbitrator. In any case in which: (1) the dispute is filed as a class, collective, or representative action and

(2) there is a final judicial determination that the Class Action Waiver is unenforceable as to any Claims, the class, collective, and/or representative action in respect of such Claims must be litigated in a civil court of competent jurisdiction, but the Class Action Waiver shall be enforced in arbitration on an individual basis as to all other Claims to the fullest extent possible.

Rules Governing Arbitration. Any arbitration conducted pursuant to this Arbitration Agreement shall be administered by the Alternative Dispute Resolution Institute of Canada Inc. Arbitration Rules (hereafter the “Rules”) and pursuant to the Rules. Notwithstanding the foregoing, if requested by Participant and if proper based on the facts and circumstances of the Claims presented, the arbitrator shall have the discretion to select a different set of arbitration rules, but in no event shall the arbitrator consolidate more than one person’s Claims, or otherwise preside over any form of class, collective or representative proceeding.

As part of the arbitration, both Participant and the Company will have the opportunity for reasonable discovery of non-privileged information that is relevant to the Claim. The arbitrator may award any individualized remedies that would be available in court. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party’s individual Claims. The arbitrator will provide a reasoned written statement of the arbitrator’s decision which shall explain the award given and the findings and conclusions on which the decision is based.

The arbitrator will decide the substance of all Claims in accordance with applicable law and will honor all claims of privilege recognized by law. The arbitrator shall not be bound by rulings in prior arbitrations involving any other person or employee, but the arbitrator is bound by rulings in prior arbitrations involving the same employee to the extent required by applicable law. The arbitrator’s award shall be final and binding and judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction, provided that such award may be challenged to the extent provided for under applicable law.

Arbitration Fees and Awards. The payment of filing and arbitration fees will be governed by the Rules subject to the following modifications:

If Participant initiates arbitration under this Arbitration Agreement after participating in the optional negotiation process described below and is otherwise required to pay a filing fee under the Rules, the Company agrees that, unless Participant's Claim is for \$5,000 or more, Participant's share of the filing and arbitration fees is limited to \$50, and that, after Participant submits proof of payment of the filing fee to the Company, the Company will promptly reimburse Participant for all but \$50 of the filing fee. If, however, the arbitrator finds that either the substance of Participant's Claim or the relief sought in the Claim is frivolous, vexatious or brought for an improper purpose, then the payment of all such fees will be governed by the Rules.

If the Company initiates arbitration under this Arbitration Agreement, the Company will pay all filing and arbitration fees under the Rules.

With respect to any Claims brought by the Company against a Participant, the Company shall pay all costs unique to arbitration (as compared to the costs of adjudicating the same Claims before a court), including the regular and customary arbitration fees and expenses (to the extent not paid by the Company pursuant to the fee provisions above). However, if Participant is the party initiating arbitration, Participant shall be responsible for contributing up to an amount equal to the filing fee that would be paid to initiate the Claim in the court of general jurisdiction in the province in which Participant resides, unless a lower fee amount would be owed by Participant pursuant to the Rules, applicable law, or this Arbitration Agreement. Any dispute as to whether a cost is unique to arbitration shall be resolved by the arbitrator.

Except as provided in any applicable rules of civil procedure, each party shall pay its own legal fees and pay any costs that are not unique to the arbitration (i.e., costs that each party would incur if the Claim(s) were litigated in a court such as costs to subpoena witnesses and/or documents, take depositions and purchase deposition transcripts, copy documents, etc.).

At the end of any arbitration, the arbitrator may award reasonable fees and costs or any portion thereof to Participant if Participant prevails, to the extent authorized by applicable law.

Although the Company may have a right to an award of legal fees and non-filing fee expenses if it prevails in an arbitration, the Company agrees that it will not seek such an award.

If the arbitrator issues Participant an award that is greater than the value of the Company's last written settlement offer made after Participant participated in good faith in the optional negotiation process described in this Arbitration Agreement, then the Company will pay Participant the amount of the award or CDN\$1,000, whichever is greater.

Location and Manner of Arbitration. Unless Participant and the Company agree otherwise, any arbitration hearings under this Arbitration Agreement will take place before one (1) arbitrator (the "Arbitrator") appointed in accordance with the Rules. The seat of the Arbitration will be Toronto unless otherwise agreed by the parties. The language of the arbitration shall be English unless otherwise agreed by the parties. The Arbitrator shall have the right to determine all questions of law and jurisdiction including questions as to whether a Claim is arbitrable and shall have the right to grant final and interim damages awards. There will be no appeal from the decision of the arbitrator on questions of fact, law, or mixed fact and law. If Participant's Claim is for \$25,000 or less, the Company agrees that Participant may

choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as determined by the Rules. If Participant's Claim exceeds \$25,000, the right to a hearing will be determined by the Rules.

Opting Out of Arbitration. Participant may opt out of the requirement to arbitrate pursuant to the terms of this subsection. If Participant does not wish to be subject to this Arbitration Agreement, Participant may opt out of arbitration by notifying the Company in writing of Participant's desire to opt out of arbitration, which writing must be dated, signed and delivered by: (1) electronic mail to the Company, or (2) by certified mail, postage prepaid and return receipt requested, or by any nationally recognized delivery service that is addressed to Paymentus, 1595 16th Avenue, Richmond Hill, Ontario, L4B 3N9. In order to be effective, (a) the writing must clearly indicate Participant's intent to opt out of this Arbitration Agreement, (b) the writing must include Participant's name, phone number, and email address, and (c) the email or envelope containing the signed writing must be sent within 30 days of the date this Agreement is executed by Participant. Should Participant not opt out within the 30-day period, Participant and the Company shall be bound by the terms of this Arbitration Agreement in full, to the extent allowable by law. Participant should assume that in the future there may be lawsuits against the Company alleging class, collective, and/or representative Claims, in which the plaintiffs seek to act on Participant's behalf, and which, if successful, could result in some monetary recovery to Participant. But if Participant does agree to arbitration with the Company under this Arbitration Agreement, then Participant is agreeing in advance that Participant will bring all such Claims, and seek all monetary and other relief, against the Company in an individual arbitration provision. Participant is also agreeing in advance that Participant will not participate in or seek to recover monetary or other relief for such Claims in any court action or class, collective, and/or representative action. Participant has the right to consult with counsel of Participant's choice concerning this Arbitration Agreement and Participant will not be subject to retaliation if Participant exercises Participant's right to assert claims or opt-out of this Arbitration Agreement.

Optional Pre-Arbitration Negotiation Process. Before initiating any arbitration or proceeding, Participant and the Company may agree to first attempt to negotiate any dispute, claim or controversy between the parties informally for 30 days, unless this time period is mutually extended by Participant and the Company. A party who intends to seek negotiation under this subsection must first send to the other a written notice of the dispute ("Notice"). The Notice must (1) describe the nature and basis of the claim or dispute; and (2) set forth the specific relief sought. All offers, promises, conduct and statements, whether oral or written, made in the course of the negotiation by any of the parties, their agents, employees, and lawyers are confidential, privileged and inadmissible for any purpose, including as evidence of liability or for impeachment, in arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the negotiation.

Third-Party Beneficiaries. This Arbitration Agreement shall be binding upon, and shall include any Claims brought by or against any third parties, including but not limited to Participant's spouses, heirs, third-party beneficiaries and permitted assigns, where their underlying claim(s) arise out of or relate to Participant's employment with the Company. To the extent that any third-party beneficiary to this Agreement brings claims against a party, those claims shall also be subject to this Arbitration Agreement.

1. Confidential Information

- a. Participant expressly agrees that, throughout the term of Participant’s employment with the Company and at all times following the cessation of Participant’s employment from the Company, for so long as the information remains confidential, Participant will not acquire, use, transfer, download, print, or disclose any Confidential Information other than for the purpose to carry out the duties of Participant’s employment for the benefit of the Company (but in all cases preserving confidentiality by following the Company’s policies and procedures). Participant agrees to take all reasonable measures to protect the secrecy of and avoid disclosure or use of Confidential Information in order to prevent it from falling into the public domain or into the possession of any Competing Business or any persons other than those persons authorized under this Restrictive Covenants Addendum to have such information for the benefit of the Company. Participant agrees to notify the Company in writing of any actual or suspected misuse, misappropriation, or unauthorized disclosure of Confidential Information that may come to Participant’s attention. Participant acknowledges that if Participant discloses or uses knowledge of the Company’s Confidential Information to gain an advantage for Participant, for any Competing Business, or for any other person or entity other than the Company, such an advantage so obtained would be unfair and detrimental to the Company.
- b. Participant shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that (A) is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.
- c. Nothing contained in this Restrictive Covenants Addendum is intended to prohibit Participant from disclosing or discussing information relating to compensation or working conditions protected by the National Labor Relations Act or applicable law. Additionally, nothing contained in this Restrictive Covenants Addendum prohibits or prevents Participant from filing a charge with or participating, testifying, or assisting in any investigation, hearing, whistleblower proceeding, or other proceeding before any federal, state, or local government agency (e.g., EEOC, NLRB, SEC, etc.) or in any legislative or judicial proceeding nor does anything in this Restrictive Covenants Addendum preclude, prohibit or otherwise limit, in any way, Participant’s rights and abilities to contact, communicate with or report unlawful conduct to federal, state, or local officials for

investigation or participate in any whistleblower program administered by such agencies. The Company further acknowledges Participant's rights to make truthful statements or disclosures required by law, regulation, or legal process and to request or receive confidential legal advice, and nothing in this Restrictive Covenants Addendum shall be deemed to impair those rights. The Company also acknowledges Participant's rights to make truthful statements or disclosures about unlawful employment practices which are defined to mean any form of unlawful discrimination, harassment, or retaliation that is actionable under Title VII of the Civil Rights Act of 1964 or any comparable state statute or any other related federal or state rule or law that is enforced by the Equal Employment Opportunity Commission or any comparable state agency.

- 2. Limited Non-Compete Agreement.** The Parties acknowledge and agree that, as a result of Participant's employment with the Company: (i) Participant has and will have access to and be involved in the development and utilization of the Company's Confidential Information; (ii) Participant will develop and maintain critical relationships with the Company's customers, prospective customers, employees, consultants, and independent contractors; and (iii) Participant will be responsible for further developing and strengthening the Company's goodwill in the market. Accordingly, Participant expressly agrees that Participant will not Compete with the Company during the Restricted Period within the Restricted Territory on behalf of any Competing Business.
- 3. Non-Solicitation of Customers/Prospective Customers.** Participant expressly agrees that during the Restricted Period, Participant will not, directly or indirectly, either alone or by assisting or acting in concert with others, on behalf of themselves or any other person, business, entity, including but not limited to on behalf of a Competing Business, solicit, persuade, induce, encourage, divert, or attempt to solicit, persuade, induce, encourage, or divert, or otherwise accept business from, any Customer or Prospective Customer with whom Participant had Material Contact, for the purpose of interfering in the relationship between such Customer or Prospective Customer and the Company, or providing products or services that are competitive with or could replace the Company's products or services in the Company's Business.
- 4. Non-Raiding of Employees.** Participant expressly agrees that during the Restricted Period, Participant will not, directly or indirectly, either alone or by assisting or acting in concert with others, on behalf of themselves or any other person, business or entity, solicit, induce, encourage or attempt to solicit, induce or encourage any then current employee or independent contractor of the Company (each, a "Restricted Employee") to alter or terminate their relationship with the Company, or hire, employ, recruit or attempt to hire, employ or recruit any Restricted Employee on behalf of any other person, business or entity.
- 5. Remedies.** In the event that Participant breaches any of the restrictive covenants set forth in this Restrictive Covenants Addendum, the then-unvested Restricted Stock Units awarded by this Award Agreement will thereupon be forfeited at no cost to the Company and Participant will have no further rights thereunder. Participant agrees that the obligations set forth in this Restrictive Covenants Addendum are necessary and reasonable in order to protect the Company's legitimate business interests and (without limiting the foregoing) that the obligations set forth in this Restrictive Covenants Addendum are necessary and reasonable in order to protect the Company's legitimate business interests in protecting its Confidential Information, customer and employee relationships and the goodwill associated therewith. Participant expressly agrees that due to the unique nature of the Company's Confidential Information, and its relationships with its customers and employees, monetary damages would be inadequate to compensate the Company for any

breach by Participant of the covenants and agreements set forth in this Restrictive Covenants Addendum. Accordingly, Participant agrees and acknowledges that any such violation or threatened violation shall cause irreparable injury to the Company and that, in addition to forfeiture of any unvested Restricted Stock Units and any other remedies that may be available in law, in equity, or otherwise, the Company shall be entitled: (a) to obtain injunctive relief against the threatened breach of this Restrictive Covenants Addendum or the continuation of any such breach by Participant, without the necessity of proving actual damages, and without necessity of posting bond; and (b) to recover any costs or attorneys' fees, arising out of or in connection with any breach or threatened breach by Participant or any action relating to Participant's obligations under this Restrictive Covenants Addendum. Any such equitable relief sought or obtained pursuant to this Restrictive Covenants Addendum will not be the Company's exclusive remedy to address Participant's breach or threatened breach of the provisions herein, and the Company shall be entitled to pursue all remedies available, including but not limited to actual damages, pursuant to applicable law. No claim, demand, action, or cause of action that Participant may have against the Company shall constitute a defense to the Company's enforcement of any of its rights or Participant's obligations hereunder by the Company or the Company's successors or assigns.

6. Tolling. Participant acknowledges and agrees that the Restricted Period shall be tolled on a day-for-day basis for all periods in which Participant is in breach of the obligations contained in this Restrictive Covenants Addendum, so that the Company receives the full benefit of the Restricted Period to which Participant has agreed herein. Participant also agrees that if Participant or the Company institutes litigation to enforce or challenge the protective covenants in this Restrictive Covenants Addendum, and Participant is not enjoined from breaching one or more of the protective covenants contained in this Restrictive Covenants Addendum, and a court thereafter determines that one or more of the protective covenants are enforceable, the Restricted Period shall be tolled (i.e. suspended) beginning on the date the litigation was instituted until the litigation is finally resolved and all periods of appeal have expired.

7. Definitions. For all purposes throughout this Restrictive Covenants Addendum, the terms defined below shall have the respective meanings specified in this section.

Participant acknowledges that the Company has taken reasonable and adequate steps to control access to the Confidential Information and to prevent unauthorized disclosure, which could cause injury to the Company. This definition shall not limit any broader definition of "confidential information" or any equivalent term under applicable state or federal law. Confidential Information shall not include any information that (i) is or becomes generally available to the public other than as a result of an unauthorized or unintentional disclosure, (ii) has been independently developed and disclosed by others without violating any obligations to the Company or applicable law, or (iii) otherwise enters the public domain through lawful means.

Acts done by Participant outside the “Restricted Territory” shall be deemed to be done within the “Restricted Territory” where their primary purpose or effect is to compete with the Company on behalf of a Competing Business within the “Restricted Territory.”

8. Participant’s right to consult with counsel. Participant acknowledges that Participant has been provided an opportunity, and has been made aware of Participant’s right, to consult with counsel of their choosing at Participant’s expense prior to entering into the Award Agreement, including specifically (but without limitation) the restrictive covenants in this Restrictive Covenants Addendum.

While any of the restrictive covenant provisions of this Restrictive Covenants Addendum are in effect, Participant agrees that, upon the request of the Company, Participant will furnish the Company with the name and address of any new employer or entity for whom Participant provides contractor or consulting services, as well as the capacity in which Participant will be employed or otherwise engaged. Participant hereby consents to the Company’s notifying Participant’s new employer about Participant’s responsibilities, restrictions and obligations under this Restrictive Covenants Addendum.

10. State Law Exceptions. The Company acknowledges and agrees that, in certain states the covenants contained in this Restrictive Covenants Addendum may have limited or no applicability. The Company intends for this Restrictive Covenants Addendum to comply fully with state and local laws and, as such, acknowledges that this Restrictive Covenants Addendum

PAYMENTUS HOLDINGS, INC.
2021 EQUITY INCENTIVE PLAN
RESTRICTED STOCK AWARD AGREEMENT
TERMS AND CONDITIONS OF RESTRICTED STOCK AWARD GRANT

1. Grant of Restricted Stock Award. Paymentus Holdings, Inc. (the “**Company**”) hereby grants to the individual (“**Participant**”) named in the Notice of Restricted Stock Award Grant of this Award Agreement (the “**Notice of Grant**”) under the Plan, on behalf of the Company and any Parent or Subsidiary by which Participant is employed, an award of the number of shares of Restricted Stock set forth in the Notice of Grant, subject to the terms and conditions of this Award Agreement and the Plan, which is incorporated herein by reference. The shares of Restricted Stock shall be issued in the form of shares of Class A Common stock (the “**Shares**”) as soon as reasonably practicable after the Grant Date. Subject to Section 20 of the Plan, in the event of a conflict between the terms and conditions of the Plan and this Award Agreement, the terms and conditions of the Plan shall prevail.

2. Vesting Schedule. Except as provided in Section 3, and subject to Section 4, the Restricted Stock Award awarded by this Award Agreement will vest in accordance with the vesting provisions set forth in the Notice of Grant. Unless specifically provided otherwise in this Award Agreement or other written agreement authorized by the Administrator between Participant and the Company or any Parent or Subsidiary of the Company, as applicable, governing the terms of this Award, the portion of the Restricted Stock Award scheduled to vest on a certain date or upon the occurrence of a certain condition will not vest in accordance with any of the provisions of this Award Agreement, unless Participant will have been continuously a Service Provider from the Grant Date until the date such vesting occurs.

3. Vesting.

(a) Discretionary Acceleration. The Administrator, in its discretion, may accelerate the vesting of the balance, or some lesser portion of the balance, of the unvested Restricted Stock Award at any time, subject to the terms of the Plan. If so accelerated, such portion of the Restricted Stock Award will be considered as having vested as of the date specified by the Administrator.

(b) Section 409A.

(i) If Participant is a U.S. taxpayer, the issuance of Shares pursuant to this Award Agreement (including any discretionary acceleration under Section 3(b)) shall in all cases be made at a time or in a manner that is exempt from, or complies with, Section 409A. The prior sentence may be superseded in a future agreement or amendment to this Award Agreement only by direct and specific reference to such sentence.

(ii) Notwithstanding anything in the Plan or this Award Agreement or any other agreement (whether entered into before, on or after the Grant Date), if the vesting of the balance, or some lesser portion of the balance, of the Restricted Stock Award is accelerated in connection with the termination of Participant’s status as a Service Provider (provided that such termination is a “separation from service” within the meaning of Section 409A, as determined by the Administrator),

other than due to Participant's death, and if (x) Participant is a U.S. taxpayer and a "specified employee" within the meaning of Section 409A at the time of such termination as a Service Provider and (y) the vesting of such accelerated Restricted Stock Award will result in the imposition of additional tax under Section 409A if vested on or within the six (6) month period following the cessation of Participant's status as a Service Provider, then the vesting of such accelerated Restricted Stock Award will not occur until the date six (6) months and one (1) day following the date of cessation of Participant's status as a Service Provider, unless Participant dies following his or her termination as a Service Provider, in which case, the Shares will be issued to Participant's estate as soon as practicable following his or her death.

(iii) It is the intent of this Award Agreement that it and all payments and benefits to U.S. taxpayers hereunder be exempt from, or comply with, the requirements of Section 409A so that the Shares issuable pursuant to this Award Agreement will not be subject to the additional tax imposed under Section 409A, and any ambiguities or ambiguous terms herein will be interpreted to be so exempt or so comply. Each issuance of Shares under this Award Agreement is intended to constitute a separate issuance for purposes of Treasury Regulations Section 1.409A-2(b)(2). To the extent necessary to comply with Section 409A, references to termination of Participant's status as a Service Provider, termination of employment, or similar phrases will be references to Participant's "separation from service" within the meaning of Section 409A. In no event will the Company or any Parent or Subsidiary of the Company have any responsibility, liability, or obligation to reimburse, indemnify, or hold harmless Participant (or any other person) for any taxes, penalties and interest that may be imposed, or other costs that may be incurred, as a result of Section 409A.

4. Forfeiture Upon Termination as a Service Provider. Unless specifically provided otherwise in this Award Agreement or other written agreement authorized by the Administrator between Participant and the Company or any Parent or Subsidiary of the Company, as applicable, governing the terms of this Award, if Participant ceases to be a Service Provider for any or no reason, the then-unvested portion of the Restricted Stock Award will thereupon be forfeited at no cost to the Company and Participant will have no further rights thereunder.

5. Death of Participant. Any distribution or delivery to be made to Participant under this Award Agreement, if Participant is then deceased, will be made to Participant's designated beneficiary: provided, however, that the Administrator has permitted the designation and such designation is valid under Applicable Laws. If no beneficiary survives Participant, or if the designation was not permitted by the Administrator or not valid under Applicable Laws, distribution or delivery shall be made to the administrator or executor of Participant's estate. Any such transferee must furnish the Company with (a) written notice of his or her status as transferee, and (b) evidence satisfactory to the Company to establish the validity of the transfer and compliance with any laws or regulations pertaining to said transfer.

6. Tax Obligations

(a) **Responsibility for Taxes.** Participant acknowledges that, regardless of any action taken by the Company or, if different, Participant's employer or any Parent or Subsidiary of the Company to which Participant is providing services (together, the "**Service Recipients**"), the ultimate liability for any tax and/or social insurance liability obligations and requirements in connection with the Restricted Stock Award, including, without limitation, (i) all federal, state, and local taxes

(including Participant's Federal Insurance Contributions Act (FICA) obligations) that are required to be withheld by any Service Recipient or other tax-related items related to Participant's participation in the Plan and legally applicable or deemed legally applicable to Participant, (ii) Participant's and, to the extent required by any Service Recipient, the Service Recipient's fringe benefit tax liability, if any, associated with the grant or vesting of the Restricted Stock Award or sale of Shares, and (iii) any other Service Recipient taxes the responsibility for which Participant has, or has agreed to bear, with respect to the Restricted Stock Award (or issuance of Shares thereunder) (collectively, the "**Tax Obligations**"), is and remains Participant's sole responsibility and may exceed the amount actually withheld by the applicable Service Recipient(s). Participant further acknowledges that no Service Recipient (A) makes any representations or undertakings regarding the treatment of any Tax Obligations in connection with any aspect of the Restricted Stock Award, including, but not limited to, the grant or vesting of the Restricted Stock Award, the subsequent sale of Shares acquired pursuant to such issuance and the receipt of any dividends or other distributions, and (B) makes any commitment to or is under any obligation to structure the terms of the grant or any aspect of the Restricted Stock Award to reduce or eliminate Participant's liability for Tax Obligations or achieve any particular tax result. Further, if Participant is subject to Tax Obligations in more than one jurisdiction, Participant acknowledges that the applicable Service Recipient(s) (or former service recipient(s), as applicable) may be required to withhold or account for Withholding Obligations (as defined below) in more than one jurisdiction.

(b) **Tax Withholding.** Pursuant to such procedures as the Administrator may specify from time to time, the applicable Service Recipient(s) will withhold the amount required to be withheld for the payment of Tax Obligations (the "**Withholding Obligations**"). The Administrator, in its sole discretion and pursuant to such procedures as it may specify from time to time, may permit Participant to satisfy such Withholding Obligations, in whole or in part (without limitation), if permissible by Applicable Laws, by: (i) paying cash in U.S. dollars, (ii) having the Company withhold otherwise deliverable Shares having a fair market value equal to the minimum amount that is necessary to meet the withholding requirement for such Withholding Obligations (or such greater amount as Participant may elect if permitted by the Administrator, if such greater amount would not result in adverse financial accounting consequences) ("**Net Share Withholding**"), (iii) withholding the amount of such Withholding Obligations from Participant's wages or other cash compensation payable to Participant by the applicable Service Recipient(s), (iv) delivering to the Company Shares that Participant owns and that already have vested with a fair market value equal to the Withholding Obligations (or such greater amount as Participant may elect if permitted by the Administrator, if such greater amount would not result in adverse financial accounting consequences), (v) selling a sufficient number of such Shares otherwise deliverable to Participant, through such means as the Company may determine in its sole discretion (whether through a broker or otherwise) equal to the minimum amount that is necessary to meet the withholding requirement for such Withholding Obligations (or such greater amount as Participant may elect if permitted by the Administrator, if such greater amount would not result in adverse financial accounting consequences) ("**Sell to Cover**"), or (vi) such other means as the Administrator deems appropriate. If the Withholding Obligations are satisfied by Net Share Withholding, for tax purposes, Participant is deemed to have been issued the full number of Shares subject to the vested Restricted Stock Award, notwithstanding that a number of the Shares are held back solely for the purpose of paying the Withholding Obligations. To the extent determined appropriate by the Administrator in its discretion, the Administrator will have the right (but not the obligation) to satisfy any Withholding Obligations by Net Share Withholding. If Net Share Withholding is the method by which such Withholding Obligations are satisfied, the Company will

not withhold on a fractional Share basis to satisfy any portion of the Withholding Obligations and, unless the Company determines otherwise, no refund will be made to Participant for the value of the portion of a Share, if any, withheld in excess of the Withholding Obligations. If a Sell to Cover is the method by which Withholding Obligations are satisfied, Participant agrees that as part of the Sell to Cover, additional Shares may be sold to satisfy any associated broker or other fees. Only whole Shares will be sold pursuant to a Sell to Cover. Any proceeds from the sale of Shares pursuant to a Sell to Cover that are in excess of the Withholding Obligations and any associated broker or other fees will be paid to Participant in accordance with procedures the Company may specify from time to time.

(c) **Tax Consequences.** Participant has reviewed with his or her own tax advisers the U.S. federal, state, local and non-U.S. tax consequences of this investment and the transactions contemplated by this Award Agreement. With respect to such matters, Participant relies solely on such advisers and not on any statements or representations of the Company or any of its agents, written or oral. Participant understands that Participant (and not the Company) shall be responsible for Participant's own tax liability that may arise as a result of this investment or the transactions contemplated by this Award Agreement.

(d) **Company's Obligation to Deliver Shares.** For clarification purposes, in no event will the Company issue Participant any Shares unless and until arrangements satisfactory to the Administrator have been made for the payment of Participant's Withholding Obligations. If Participant fails to make satisfactory arrangements for the payment of such Withholding Obligations hereunder at the time any applicable portion of the Restricted Stock Award is scheduled to vest pursuant to Sections 2 or 3 or Participant's Withholding Obligations otherwise become due, Participant will forfeit such portion of the Restricted Stock Award to which Participant's Withholding Obligation relates and any right to receive Shares thereunder and such portion of the Restricted Stock Award will be returned to the Company at no cost to the Company. Participant acknowledges and agrees that the Company may permanently refuse to issue or deliver the Shares if such Withholding Obligations are not satisfied at the time they are due.

7. Rights as Stockholder. Neither Participant nor any person claiming under or through Participant will have any of the rights or privileges of a stockholder of the Company in respect of any unvested shares of Restricted Stock issued hereunder. Participant will have all the rights of a stockholder of the Company with respect to voting and receipt of dividends and distributions on any vested shares of Restricted Stock.

8. No Guarantee of Continued Service. PARTICIPANT ACKNOWLEDGES AND AGREES THAT THE VESTING OF THE RESTRICTED STOCK AWARD PURSUANT TO THE VESTING SCHEDULE HEREOF IS EARNED ONLY BY CONTINUING AS A SERVICE PROVIDER, WHICH UNLESS PROVIDED OTHERWISE UNDER APPLICABLE LAWS IS AT THE WILL OF THE APPLICABLE SERVICE RECIPIENT AND NOT THROUGH THE ACT OF BEING HIRED, BEING GRANTED THIS RESTRICTED STOCK AWARD OR ACQUIRING SHARES HEREUNDER. PARTICIPANT FURTHER ACKNOWLEDGES AND AGREES THAT THIS AWARD AGREEMENT, THE TRANSACTIONS CONTEMPLATED HEREUNDER AND THE VESTING SCHEDULE SET FORTH HEREIN SHALL NOT BE INTERPRETED AS FORMING OR AMENDING AN EMPLOYMENT OR SERVICE CONTRACT, DO NOT CONSTITUTE AN EXPRESS OR IMPLIED PROMISE OF CONTINUED ENGAGEMENT AS A SERVICE PROVIDER FOR THE VESTING PERIOD, FOR ANY PERIOD, OR AT ALL, AND

SHALL NOT INTERFERE IN ANY WAY WITH PARTICIPANT'S RIGHT OR THE RIGHT OF ANY SERVICE RECIPIENT TO TERMINATE PARTICIPANT'S RELATIONSHIP AS A SERVICE PROVIDER, SUBJECT TO APPLICABLE LAW, WHICH TERMINATION, UNLESS PROVIDED OTHERWISE UNDER APPLICABLE LAW, MAY BE AT ANY TIME, WITH OR WITHOUT CAUSE.

9. Grant is Not Transferable. Except to the limited extent provided in Section 5, this Award and the rights and privileges conferred hereby will not be transferred, assigned, pledged or hypothecated in any way (whether by operation of law or otherwise) and will not be subject to sale under execution, attachment or similar process. Upon any attempt to transfer, assign, pledge, hypothecate or otherwise dispose of this Award, or any right or privilege conferred hereby, or upon any attempted sale under any execution, attachment or similar process, this Award and the rights and privileges conferred hereby immediately will become null and void.

10. Nature of Grant. In accepting this Restricted Stock Award, Participant acknowledges, understands and agrees that:

(a) the grant of the Restricted Stock Award is exceptional, voluntary and occasional and does not create any contractual or other right to receive future grants of Restricted Stock Awards, or benefits in lieu of Restricted Stock Awards, even if Restricted Stock Awards have been granted in the past;

(b) all decisions with respect to future Restricted Stock Awards or other grants, if any, will be at the sole discretion of the Administrator;

(c) Participant is voluntarily participating in the Plan;

(d) the Restricted Stock Award and the Shares issuable thereunder, and the income from and value of same, are not intended to replace any pension rights or compensation;

(e) unless otherwise agreed with the Company in writing, the Restricted Stock Award and the Shares issuable thereunder, and the income from and value of same, are not granted as consideration for, or in connection with, the service Participant may provide as a director of any Subsidiary or Parent of the Company;

(f) the future value of the Shares issuable pursuant to the Restricted Stock Award is unknown, indeterminable, and cannot be predicted with certainty;

(g) for purposes of the Restricted Stock Award, Participant's status as a Service Provider will be considered terminated as of the date Participant is no longer actively providing services to the Company or any Parent or Subsidiary (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment laws in the jurisdiction where Participant is a Service Provider or the terms of Participant's employment or service agreement, if any), and unless otherwise expressly provided in this Award Agreement (including by reference in the Notice of Grant to other arrangements or contracts) or determined by the Administrator, Participant's right to vest in the Restricted Stock Award under the Plan, if any, will terminate as of such date and will not be extended by any notice period (e.g., Participant's period of service would not include any contractual notice period or any period of "garden leave" or similar period mandated under

employment laws in the jurisdiction where Participant is a Service Provider or the terms of Participant's employment or service agreement, if any, unless Participant is providing bona fide services during such time). The Administrator shall have the exclusive discretion to determine when Participant is no longer actively providing services for purposes of this Restricted Stock Award (including whether Participant may still be considered to be providing services while on a leave of absence and consistent with Applicable Laws).

(h) unless otherwise provided in the Plan or by the Administrator in its discretion, the Restricted Stock Award and the benefits evidenced by this Award Agreement do not create any entitlement to have the Restricted Stock Award or any such benefits transferred to, or assumed by, another company nor be exchanged, cashed out or substituted for, in connection with any corporate transaction affecting the Shares; and

(i) the following provisions apply only if Participant is providing services outside the United States:

(i) the Restricted Stock Award and the Shares issuable thereunder, and the income from and value of same, are not part of normal or expected compensation or salary for any purpose;

(ii) neither the Company nor any Service Recipient shall be liable for any foreign exchange rate fluctuation between Participant's local currency and the United States Dollar that may affect the value of the Restricted Stock Award or the Shares issuable thereunder or the subsequent sale of any such Shares; and

(iii) no claim or entitlement to compensation or damages shall arise from forfeiture of any portion of the Restricted Stock Award resulting from the termination of Participant's status as a Service Provider (for any reason whatsoever whether or not later found to be invalid or in breach of employment laws in the jurisdiction where Participant is a Service Provider or the terms of Participant's employment or service agreement, if any), and in consideration of the grant of the Restricted Stock Award to which Participant is otherwise not entitled, Participant irrevocably agrees never to institute any claim against any Service Recipient, waives his or her ability, if any, to bring any such claim, and releases each Service Recipient from any such claim; if, notwithstanding the foregoing, any such claim is allowed by a court of competent jurisdiction, then, by participating in the Plan, Participant shall be deemed irrevocably to have agreed not to pursue such claim and agrees to execute any and all documents necessary to request dismissal or withdrawal of such claim.

11.Restrictive Covenants. In consideration of this grant of the Restricted Stock Award, Participant agrees to the restrictive covenants set forth in Appendix 2 to this Award Agreement, the terms of which are incorporated by reference.

12.No Advice Regarding Grant. The Company is not providing any tax, legal or financial advice, nor is the Company making any recommendations regarding Participant's participation in the Plan, or Participant's acquisition or sale of the Shares issuable pursuant to the Restricted Stock Award. Participant is hereby advised to consult with his or her own personal tax, legal and financial advisers regarding his or her participation in the Plan before taking any action related to the Plan.

13.Data Privacy. *Participant hereby explicitly and unambiguously consents to the collection, use and transfer, in electronic or other form, of Participant's personal data as described in this Award Agreement and any other Restricted Stock Award grant materials by and among, as applicable, the Company and the Service Recipients for the exclusive purpose of implementing, administering and managing Participant's participation in the Plan.*

Participant understands that the Company and the Service Recipient may hold certain personal information about Participant, including, but not limited to, Participant's name, home address and telephone number, date of birth, social insurance number or other identification number, salary, nationality, job title, any Shares or directorships held in the Company, details of all Restricted Stock Awards or any other entitlement to Shares awarded, canceled, exercised, vested, unvested or outstanding in Participant's favor ("Data"), for the exclusive purpose of implementing, administering and managing the Plan.

Participant understands that Data will be transferred to a third-party stock plan service provider, which is assisting the Company with the implementation, administration and management of the Plan. Participant understands that the recipients of the Data may be located in the United States or elsewhere, and that the recipients' country of operation (e.g., the United States) may have different data privacy laws and protections than Participant's country. Participant understands that if he or she resides outside the United States, he or she may request a list with the names and addresses of any potential recipients of the Data by contacting his or her local human resources representative. Participant authorizes the Company, any stock plan service provider selected by the Company and any other possible recipients which may assist the Company (presently or in the future) with implementing, administering and managing the Plan to receive, possess, use, retain and transfer the Data, in electronic or other form, for the sole purpose of implementing, administering and managing his or her participation in the Plan. Participant understands that Data will be held only as long as is necessary to implement, administer and manage Participant's participation in the Plan. Participant understands if he or she resides outside the United States, he or she may, at any time, view Data, request additional information about the storage and processing of Data, require any necessary amendments to Data or refuse or withdraw the consents herein, in any case without cost, by contacting in writing his or her local human resources representative. Further, Participant understands that he or she is providing the consents herein on a purely voluntary basis. If Participant does not consent, or if Participant later seeks to revoke his or her consent, his or her status as a Service Provider will not be adversely affected. The only adverse consequence of refusing or withdrawing Participant's consent is that the Company would not be able to grant Participant Restricted Stock Awards or other equity awards or administer or maintain such awards. Therefore, Participant understands that refusing or withdrawing his or her consent may affect Participant's ability to participate in the Plan. For more information on the consequences of Participant's refusal to consent or withdrawal of consent, Participant understands that he or she may contact his or her local human resources representative.

14.Address for Notices. Any notice to be given to the Company under the terms of this Award Agreement will be addressed to the Company at Paymentus Holdings, Inc., 11605 N. Community House Road, Suite 300, Charlotte, NC 28277, Attention: General Counsel, or at such other address as the Company may hereafter designate in writing.

15.Successors and Assigns. The Company may assign any of its rights under this Award Agreement to single or multiple assignees, and this Award Agreement shall inure to the benefit of the successors and assigns of the Company. Subject to the restrictions on transfer herein set forth, this Award Agreement shall be binding upon Participant and Participant's heirs, executors, administrators, successors and assigns. The rights and obligations of Participant under this Award Agreement may be assigned only with the prior written consent of the Company.

16.Additional Conditions to Issuance of Stock. If at any time the Company will determine, in its discretion, that the listing, registration, qualification or rule compliance of the Shares upon any securities exchange or under any state, federal or non-U.S. law, the tax code and related regulations or under the rulings or regulations of the U.S. Securities and Exchange Commission or any other governmental regulatory body or the clearance, consent or approval of the U.S. Securities and Exchange Commission or any other governmental regulatory authority is necessary or desirable as a condition to the issuance of Shares to Participant (or his or her estate) hereunder, such issuance will not occur unless and until such listing, registration, qualification, rule compliance, clearance, consent or approval will have been completed, effected or obtained free of any conditions not acceptable to the Company. Subject to the terms of the Award Agreement and the Plan, the Company will not be required to issue any certificate or certificates for (or make any entry on the books of the Company or of a duly authorized transfer agent of the Company of) the Shares hereunder prior to the lapse of such reasonable period of time following the date of vesting of the Restricted Stock Award as the Administrator may establish from time to time for reasons of administrative convenience.

17.Language. Participant acknowledges that Participant is sufficiently proficient in the English language, or has consulted with an adviser who is sufficiently proficient in the English language, so as to allow Participant to understand the terms and conditions of this Award Agreement. If Participant has received this Award Agreement or any other document related to the Plan translated into a language other than the English language and if the meaning of the translated version is different than the English version, the English language version will control.

18.Interpretation. The Administrator will have the power to interpret the Plan and this Award Agreement and to adopt such rules for the administration, interpretation and application of the Plan as are consistent therewith and to interpret or revoke any such rules (including, but not limited to, the determination of whether or not any portion of the Restricted Stock Award has vested). All actions taken and all interpretations and determinations made by the Administrator in good faith will be final and binding upon Participant, the Company and all other interested persons. Neither the Administrator nor any person acting on behalf of the Administrator will be personally liable for any action, determination or interpretation made in good faith with respect to the Plan or this Award Agreement.

19.Electronic Delivery and Acceptance. The Company may, in its sole discretion, decide to deliver any documents related to the Restricted Stock Award granted under the Plan or future Restricted Stock Awards that may be granted under the Plan by electronic means or require Participant to participate in the Plan by electronic means. Participant hereby consents to receive such documents by electronic delivery and agrees to participate in the Plan through any on-line or electronic system established and maintained by the Company or a third party designated by the Company.

20.Captions. Captions provided herein are for convenience only and are not to serve as a basis for interpretation or construction of this Award Agreement.

21.Amendment, Suspension or Termination of the Plan. By accepting this Award, Participant expressly warrants that he or she has received a Restricted Stock Award under the Plan, and has received, read and understood a description of the Plan. Participant understands that the Plan is discretionary in nature and may be amended, suspended or terminated by the Administrator at any time.

22.Country Addendum. Notwithstanding any provisions in this Award Agreement, the Restricted Stock Award grant shall be subject to any additional terms and conditions set forth in the Country Addendum (if any) for any country whose laws are applicable to Participant and this Restricted Stock Award (as determined by the Administrator in its sole discretion). Moreover, if Participant relocates to one of the countries included in the Country Addendum, the additional terms and conditions for such country will apply to Participant, to the extent the Company determines that the application of such terms and conditions is necessary or advisable for legal or administrative reasons. The Country Addendum (if any) constitutes a part of this Award Agreement.

23.Modifications to the Award Agreement. This Award Agreement constitutes the entire understanding of the parties on the subjects covered. Participant expressly warrants that he or she is not accepting this Award Agreement in reliance on any promises, representations, or inducements other than those contained herein. Modifications to this Award Agreement can be made only in an express written contract executed by a duly authorized officer of the Company. Notwithstanding anything to the contrary in the Plan or this Award Agreement, the Company reserves the right to revise this Award Agreement as it deems necessary or advisable, in its sole discretion and without the consent of Participant, to comply with Section 409A or to otherwise avoid imposition of any additional tax or income recognition under Section 409A in connection with this Restricted Stock Award.

24.No Waiver. Either party's failure to enforce any provision or provisions of this Award Agreement shall not in any way be construed as a waiver of any such provision or provisions, nor prevent that party from thereafter enforcing each and every other provision of this Award Agreement. The rights granted both parties herein are cumulative and shall not constitute a waiver of either party's right to assert all other legal remedies available to it under the circumstances.

25.Insider Trading/Market Abuse Laws. Participant acknowledges that Participant may be subject to insider trading restrictions and/or market abuse laws based on the exchange on which the Shares are listed and in applicable jurisdictions including, but not limited to, the United States and Participant's country of residence, which may affect Participant's ability to acquire or sell Shares during such time as Participant is considered to have "inside information" regarding the Company (as defined by the laws in the applicable jurisdictions). Local insider trading laws and regulations may prohibit the cancellation or amendment of orders Participant placed before Participant possessed inside information. Furthermore, Participant could be prohibited from (i) disclosing the inside information to any third party and (ii) "tipping" third parties or causing them otherwise to buy or sell securities. Participant should keep in mind that third parties include employees of the Company or any Parent or Subsidiary of the Company. Any restrictions under these laws or regulations are separate from and in addition to any restrictions that may be imposed under any applicable insider trading policy of the

Company. Participant is responsible for ensuring compliance with any applicable restrictions and should consult with his or her personal legal advisor on this matter.

26.Governing Law. This Award Agreement and the Restricted Stock Award are governed by the internal substantive laws, but not the choice of law rules, of the State of Delaware.

27.Dispute Resolution. To the full extent allowed by applicable law, and as further provided in or modified by Appendix 1, the Participant and the Company agree that any claim, action, dispute or controversy of any kind arising out of or relating to this Award Agreement and the Restricted Stock Units shall be resolved by mandatory and binding arbitration. All questions, including but not limited to arbitrability shall be determined by the arbitrator. The arbitration will be administered by the American Arbitration Association (“AAA”) in accordance with its Commercial Arbitration Rules and the Federal Arbitration Act. The arbitration shall be conducted in Charlotte, North Carolina or Dallas, Texas, by a single arbitrator appointed in accordance with the AAA Rules, provided however that the arbitrator shall prepare a written decision containing the essential findings and conclusions on which the award is based so as to ensure meaningful judicial review of the decision. The arbitrator shall decide any dispute in accordance with the substantive law of Delaware.

This Agreement does not limit the right of the Company or Participant to seek any provisional remedy, including, without limitation, injunctive or similar relief, from any court of competent jurisdiction as may be necessary to protect the Company’s or Participant’s rights and interests pending the outcome of an arbitration including but not limited to claims for violation of any non-disclosure or other agreement between Participant and the Company for the protection of confidential and proprietary information and trade secrets and/or invention assignment.

Participant and the Company agree that any dispute or claim arising out of or relating to this agreement shall be brought, heard, and arbitrated only on an individual basis, and not as a plaintiff or class member in any purported class, collective, or representative action. The arbitrator shall not have the authority to consolidate the claims of other parties into a single proceeding, nor to certify a class action.

Either the Company or Participant may bring an action in court to compel arbitration under this Agreement and to enforce an arbitration award, and shall be entitled to recover fees and costs associated with any such motion to compel arbitration or to enforce an arbitration award. Otherwise, except as provided in this Section 28, neither the Company nor Participant shall initiate or prosecute any lawsuit or claim in any way related to any arbitrable claim, including without limitation any claim as to the making, existence, validity, arbitrability or enforceability of this Agreement.

28.Severability. In the event that any provision hereof becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Award Agreement shall continue in full force and effect.

29.Entire Agreement. The Plan is incorporated herein by reference. The Plan and this Award Agreement (including the exhibits, appendices, and addenda attached to the Notice of Grant) constitute the entire agreement of the parties with respect to the subject matter hereof and supersede in their entirety all prior undertakings and agreements of the Company and Participant with respect to the subject matter hereof, and may not be modified adversely to Participant’s interest except by means of a writing signed by the Company and Participant. Notwithstanding the foregoing, the restrictive

covenants set forth in Appendix 2, if applicable, do not supersede or in any way modify any other restrictive covenants applicable to Participant in any employment or other agreement with the Company or any Parent or Subsidiary of the Company. This Award Agreement, the Restricted Stock Award, and any Shares received hereunder shall be subject to any compensation recoupment or similar policy adopted by the Company from time to time as required by law or any rules of the New York Stock Exchange or other stock exchange.

APPENDIX 1

PAYMENTUS HOLDINGS, INC. 2021 EQUITY INCENTIVE PLAN COUNTRY ADDENDUM TO RESTRICTED STOCK AWARD AGREEMENT

Unless otherwise defined herein, capitalized terms used in this Country Addendum to Restricted Stock Award Agreement (the “**Country Addendum**”) will be ascribed the same defined meanings as set forth in the Restricted Stock Award Agreement of which this Country Addendum forms a part (or the Plan or other written agreement as specified in the Restricted Stock Award Agreement).

Terms and Conditions

This Country Addendum includes additional terms and conditions that govern the Restricted Stock Award granted to Participant under the Plan to the extent Participant resides and/or works in one of the countries listed below. If Participant is a citizen or resident (or is considered as such for local law purposes) of a country other than the country in which Participant is currently residing and/or working, or if Participant transfers employment and/or residency to another country after the Restricted Stock Award is granted, the Company, in its discretion, will determine to what extent the terms and conditions contained herein will apply to Participant.

Notifications

This Country Addendum also includes information regarding securities laws, exchange controls and certain other issues of which Participant should be aware with respect to Participant’s participation in the Plan. The information is provided solely for Participant’s convenience and is based on the securities, exchange control and other Applicable Laws in effect in the respective countries as of **March 2026**. Such Applicable Laws often are complex and change frequently. As a result, the Company strongly recommends that Participant not rely on the information in this Country Addendum as the only source of information relating to the consequences of Participant’s participation in the Plan because the information may be out of date at the time Participant vests in or receives or sells the Shares issuable pursuant to the Restricted Stock Award.

In addition, the information contained in this Country Addendum is general in nature and may not apply to Participant’s particular situation, and the Company is not in a position to assure Participant of any particular result. Participant should seek appropriate professional advice as to how the Applicable Laws in Participant’s country may apply to his or her situation.

Finally, if Participant is a citizen or resident (or is considered as such for local law purposes) of a country other than the one in which Participant currently is residing and/or working, or if Participant transfers residence and/or employment to another country after the grant of the Restricted Stock Award, the information in this Country Addendum may not apply to Participant in the same manner.

CANADA

Terms and Conditions

Termination. The following provision replaces the second paragraph of Sections 4 and 10(g) of the Restricted Stock Award Agreement in its entirety:

For purposes of the Restricted Stock Award, Participant's status as a Service Provider will be considered terminated (regardless of the reason for such termination and whether or not later found to be invalid or in breach of employment laws in the jurisdiction where Participant is a Service Provider or the terms of Participant's employment or service agreement, if any) as of the date that is the earliest of: (i) the date of termination of Participant's status as a Service Provider, (ii) the date on which Participant receives notice of termination of his or her status as a Service Provider, and (iii) the date on which Participant ceases to be providing services to the Service Recipient, which date shall not be extended by any notice period or period of pay in lieu of such notice mandated under the employment laws of the jurisdiction in which Participant is providing service or the terms of Participant's employment or other service agreement, if any. The Administrator shall have the exclusive discretion to determine when Participant no longer is actively providing services for purposes of the Award (including whether Participant may still be considered to be providing services while on a leave of absence).

Notwithstanding the foregoing, if applicable employment standards legislation explicitly requires continued vesting during a statutory notice period, Participant's right to vest in the Restricted Stock Award, if any, will terminate effective upon the expiry of the minimum statutory notice period, but Participant will not earn or be entitled to prorated vesting if the vesting date falls after the end of the statutory notice period, nor will Participant be entitled to any compensation in lieu of any such prorated vesting.

Language. The parties acknowledge that it is Participant's express wish that the Restricted Stock Award Agreement, as well as all documents, notices and legal proceedings entered into, given or instituted pursuant hereto or relating directly or indirectly hereto, be drawn up in English.

Les parties reconnaissent que le participant souhaite expressément que le contrat d'attribution, ainsi que tous les documents, avis et procédures judiciaires conclus, donnés ou intentés en vertu des présentes ou s'y rapportant directement ou indirectement, soient rédigés en anglais.

Data Privacy. This provision supplements Section 13 of the Restricted Stock Award Agreement:

Participant hereby authorizes any Service Recipient and any agents or representatives thereof to (i) discuss with and obtain all relevant information from all personnel, professional or non-professional, involved in the administration and operation of the Plan, and (ii) disclose and discuss any and all information relevant to the Plan with their advisers. Participant further authorizes any Service Recipient and any agents or representatives thereof to record such information and to keep such information in Participant's file.

Notifications

Securities Law Notification. Participant is permitted to sell Shares acquired under the Plan through the designated broker appointed under the Plan, if any, provided the resale of Shares acquired under the Plan takes place outside Canada through the facilities of the exchange on which the Shares are then listed.

Binding Arbitration / Waiver of Jury Trial

Participant and the Company mutually agree to waive, to the fullest extent permitted under applicable law, their respective rights to resolution of disputes in a court of law by a judge or jury and agree to resolve any dispute by arbitration as set forth below. This agreement to arbitrate (“Arbitration Agreement”) survives after the Award Agreement terminates or Participant’s relationship with the Company ends. To the fullest extent permitted under applicable law, any arbitration under this Arbitration Agreement will take place on an individual basis, and class arbitrations are not permitted.

Except as expressly provided below and above, this Arbitration Agreement applies to all disputes between Participant and the Company, including the Company’s affiliates, subsidiaries, parents, successors and assigns, and each of their respective officers, directors, employees, agents, or shareholders (each a “Claim” and collectively, “Claims”) These Claims include, to the fullest extent permitted under applicable law, but are not limited to, any dispute or claim, whether based on past, present, or future events, arising out of or relating to the Award Agreement and prior versions thereof (including the breach, termination, enforcement, interpretation or validity thereof), Participant’s relationship with the Company, and all other common law claims between Participant and the Company or its affiliates and their respective employees, officers, directors and shareholders. To the fullest extent permissible under applicable law, disputes concerning the arbitrability of a Claim (including disputes about the scope, applicability, enforceability, revocability, or validity of the Arbitration Agreement) shall be decided by the arbitrator.

For clarity, Participant and the Company agree that this Arbitration Agreement does not affect any of Participant’s statutory rights under any minimum standards legislation, and Participant is not restricted from commencing a complaint to the appropriate governmental authority under any minimum standards legislation including but not limited to the local minimum employment standards legislation, the local occupational health and safety legislation, the local pay equity legislation, the local workplace safety insurance legislation; in Ontario, the *Employment Standards Act, 2000*, S.O. 2000, c. 41, *Occupational Health and Safety Act*, R.S.O. 1990, c. O.1, *Pay Equity Act*, R.S.O. 1990, c. P.7, *Workplace Safety and Insurance Act*, 1997, S.O. 1997, c. 16, Sched. A; and other similar legislation in every other province and territory (if applicable). Furthermore, Participant and the Company agree that, to the fullest extent permitted under applicable law, disputes involving alleged breaches of the local human rights code or legislation shall be resolved by arbitration; but nothing in this Arbitration Agreement limits or waives any of Participant’s substantive rights under local human rights code or legislation.

By agreeing to arbitration, Participant understands that Participant and the Company are waiving the right to sue in court or have a jury trial for any Claim or Claims, except as otherwise provided in this Arbitration Agreement or required by applicable law. This Arbitration Agreement is intended to require arbitration of every claim or dispute that can lawfully be arbitrated.

Prohibition of Class Actions and Non-Individualized Relief. Participant understands and agrees that, to the fullest extent permissible under applicable law, Participant and the Company may each bring claims in arbitration against the other only in an individual capacity and not on a class, collective or representative basis (“Class Action Waiver”). Participant understands and agrees that Participant and the Company both are waiving the right to pursue or have a dispute resolved as a plaintiff or class member in any purported class, collective or representative proceeding. An arbitrator appointed pursuant to this arbitration agreement shall have no authority to consider or resolve any claim or issue any relief on any basis other than an individual basis. The arbitrator shall have no authority to consider or resolve any claim or issue any relief on a class, collective, or representative basis. Notwithstanding any other provision of this Award Agreement, or the Arbitration Agreement, or the Alternative Dispute Resolution Institute of Canada Inc. Arbitration Rules, disputes regarding the scope, applicability, enforceability, revocability or validity of the Class Action Waiver may be resolved only by a civil court of competent jurisdiction and not by an arbitrator. In any case in which: (1) the dispute is filed as a class, collective, or representative action and (2) there is a final judicial determination that the Class Action Waiver is unenforceable as to any Claims, the class, collective, and/or representative action in respect of such Claims must be litigated in a civil court of competent jurisdiction, but the Class Action Waiver shall be enforced in arbitration on an individual basis as to all other Claims to the fullest extent possible.

Rules Governing Arbitration. Any arbitration conducted pursuant to this Arbitration Agreement shall be administered by the Alternative Dispute Resolution Institute of Canada Inc. Arbitration Rules (hereafter the “Rules”) and pursuant to the Rules. Notwithstanding the foregoing, if requested by Participant and if proper based on the facts and circumstances of the Claims presented, the arbitrator shall have the discretion to select a different set of arbitration rules, but in no event shall the arbitrator consolidate more than one person’s Claims, or otherwise preside over any form of class, collective or representative proceeding.

As part of the arbitration, both Participant and the Company will have the opportunity for reasonable discovery of non-privileged information that is relevant to the Claim. The arbitrator may award any individualized remedies that would be available in court. The arbitrator may award declaratory or injunctive relief only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party’s individual Claims. The arbitrator will provide a reasoned written statement of the arbitrator’s decision which shall explain the award given and the findings and conclusions on which the decision is based.

The arbitrator will decide the substance of all Claims in accordance with applicable law and will honor all claims of privilege recognized by law. The arbitrator shall not be bound by rulings in prior arbitrations involving any other person or employee, but the arbitrator is bound by rulings in prior arbitrations involving the same employee to the extent required by applicable law. The arbitrator’s award shall be final and binding and judgment on the award rendered by the arbitrator may be entered in any court of competent jurisdiction, provided that such award may be challenged to the extent provided for under applicable law.

Arbitration Fees and Awards. The payment of filing and arbitration fees will be governed by the Rules subject to the following modifications:

If Participant initiates arbitration under this Arbitration Agreement after participating in the optional negotiation process described below and is otherwise required to pay a filing fee under the Rules, the Company agrees that, unless Participant's Claim is for \$5,000 or more, Participant's share of the filing and arbitration fees is limited to \$50, and that, after Participant submits proof of payment of the filing fee to the Company, the Company will promptly reimburse Participant for all but \$50 of the filing fee. If, however, the arbitrator finds that either the substance of Participant's Claim or the relief sought in the Claim is frivolous, vexatious or brought for an improper purpose, then the payment of all such fees will be governed by the Rules.

If the Company initiates arbitration under this Arbitration Agreement, the Company will pay all filing and arbitration fees under the Rules.

With respect to any Claims brought by the Company against a Participant, the Company shall pay all costs unique to arbitration (as compared to the costs of adjudicating the same Claims before a court), including the regular and customary arbitration fees and expenses (to the extent not paid by the Company pursuant to the fee provisions above). However, if Participant is the party initiating arbitration, Participant shall be responsible for contributing up to an amount equal to the filing fee that would be paid to initiate the Claim in the court of general jurisdiction in the province in which Participant resides, unless a lower fee amount would be owed by Participant pursuant to the Rules, applicable law, or this Arbitration Agreement. Any dispute as to whether a cost is unique to arbitration shall be resolved by the arbitrator.

Except as provided in any applicable rules of civil procedure, each party shall pay its own legal fees and pay any costs that are not unique to the arbitration (i.e., costs that each party would incur if the Claim(s) were litigated in a court such as costs to subpoena witnesses and/or documents, take depositions and purchase deposition transcripts, copy documents, etc.).

At the end of any arbitration, the arbitrator may award reasonable fees and costs or any portion thereof to Participant if Participant prevails, to the extent authorized by applicable law.

Although the Company may have a right to an award of legal fees and non-filing fee expenses if it prevails in an arbitration, the Company agrees that it will not seek such an award.

If the arbitrator issues Participant an award that is greater than the value of the Company's last written settlement offer made after Participant participated in good faith in the optional negotiation process described in this Arbitration Agreement, then the Company will pay Participant the amount of the award or CDN\$1,000, whichever is greater.

Location and Manner of Arbitration. Unless Participant and the Company agree otherwise, any arbitration hearings under this Arbitration Agreement will take place before one (1) arbitrator (the "Arbitrator") appointed in accordance with the Rules. The seat of the Arbitration will be Toronto unless otherwise agreed by the parties. The language of the arbitration shall be English unless otherwise agreed by the parties. The Arbitrator shall have the right to determine all questions of law and jurisdiction including questions as to whether a Claim is arbitrable and shall have the right to grant final and interim damages awards. There will be no appeal from the decision of the arbitrator on

questions of fact, law, or mixed fact and law. If Participant's Claim is for \$25,000 or less, the Company agrees that Participant may choose whether the arbitration will be conducted solely on the basis of documents submitted to the arbitrator, through a telephonic hearing, or by an in-person hearing as determined by the Rules. If Participant's Claim exceeds \$25,000, the right to a hearing will be determined by the Rules.

Opting Out of Arbitration. Participant may opt out of the requirement to arbitrate pursuant to the terms of this subsection. If Participant does not wish to be subject to this Arbitration Agreement, Participant may opt out of arbitration by notifying the Company in writing of Participant's desire to opt out of arbitration, which writing must be dated, signed and delivered by: (1) electronic mail to the Company, or (2) by certified mail, postage prepaid and return receipt requested, or by any nationally recognized delivery service that is addressed to Paymentus, 1595 16th Avenue, Richmond Hill, Ontario, L4B 3N9. In order to be effective, (a) the writing must clearly indicate Participant's intent to opt out of this Arbitration Agreement, (b) the writing must include Participant's name, phone number, and email address, and (c) the email or envelope containing the signed writing must be sent within 30 days of the date this Agreement is executed by Participant. Should Participant not opt out within the 30-day period, Participant and the Company shall be bound by the terms of this Arbitration Agreement in full, to the extent allowable by law. Participant should assume that in the future there may be lawsuits against the Company alleging class, collective, and/or representative Claims, in which the plaintiffs seek to act on Participant's behalf, and which, if successful, could result in some monetary recovery to Participant. But if Participant does agree to arbitration with the Company under this Arbitration Agreement, then Participant is agreeing in advance that Participant will bring all such Claims, and seek all monetary and other relief, against the Company in an individual arbitration provision. Participant is also agreeing in advance that Participant will not participate in or seek to recover monetary or other relief for such Claims in any court action or class, collective, and/or representative action. Participant has the right to consult with counsel of Participant's choice concerning this Arbitration Agreement and Participant will not be subject to retaliation if Participant exercises Participant's right to assert claims or opt-out of this Arbitration Agreement.

Optional Pre-Arbitration Negotiation Process. Before initiating any arbitration or proceeding, Participant and the Company may agree to first attempt to negotiate any dispute, claim or controversy between the parties informally for 30 days, unless this time period is mutually extended by Participant and the Company. A party who intends to seek negotiation under this subsection must first send to the other a written notice of the dispute ("Notice"). The Notice must (1) describe the nature and basis of the claim or dispute; and (2) set forth the specific relief sought. All offers, promises, conduct and statements, whether oral or written, made in the course of the negotiation by any of the parties, their agents, employees, and lawyers are confidential, privileged and inadmissible for any purpose, including as evidence of liability or for impeachment, in arbitration or other proceeding involving the parties, provided that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible or non-discoverable as a result of its use in the negotiation.

Third-Party Beneficiaries. This Arbitration Agreement shall be binding upon, and shall include any Claims brought by or against any third parties, including but not limited to Participant's spouses, heirs, third-party beneficiaries and permitted assigns, where their underlying claim(s) arise out of or relate to Participant's employment with the Company. To the extent that any third-party beneficiary to this Agreement brings claims against a party, those claims shall also be subject to this Arbitration Agreement.

General. This Arbitration Agreement shall be governed by the laws of the province in which Participant resides. If any provision of this Agreement is or becomes invalid or non-binding, the parties shall remain bound by all other provisions of this Agreement. In that event, the parties shall replace the invalid or non-binding provision with provisions that are valid and binding and that have, to the greatest extent possible, a similar effect as the invalid or non-binding provision, given the contents and purpose of this Agreement. Any notices to Participant shall be provided to Participant via the email address or physical address Participant provides to the Company during employment. Headings are for reference purposes only and in no way define, limit, construe or describe the scope or extent of such section. The words “include”, “includes” and “including” are deemed to be followed by the words “without limitation”. A party’s failure to act with respect to a breach by the other party does not constitute a waiver of the party’s right to act with respect to subsequent or similar breaches, any such waiver shall be in writing. This Arbitration Agreement sets forth the entire understanding and agreement between Participant and the Company with respect to the subject matter hereof and supersedes all previous understandings and agreements between the parties, whether oral or written. The place of this Agreement is Toronto, Ontario. In the event that any portion of this Agreement, including any portion of the Arbitration Agreement, is deemed illegal or unenforceable, such provision shall be severed and the remainder of the Agreement shall be given full force and effect.

APPENDIX 2

PAYMENTUS HOLDINGS, INC. 2021 EQUITY INCENTIVE PLAN RESTRICTIVE COVENANTS ADDENDUM TO RESTRICTED STOCK AWARD AGREEMENT

Unless otherwise defined herein, capitalized terms used in this Restrictive Covenants Addendum to Restricted Stock Award Agreement will be ascribed the same defined meanings as set forth in the Restricted Stock Award Agreement of which this Restrictive Covenants Addendum forms a part (or the Plan or other written agreement as specified in the Restricted Stock Award Agreement).

1. Confidential Information

- a. Participant expressly agrees that, throughout the term of Participant's employment with the Company and at all times following the cessation of Participant's employment from the Company, for so long as the information remains confidential, Participant will not acquire, use, transfer, download, print, or disclose any Confidential Information other than for the purpose to carry out the duties of Participant's employment for the benefit of the Company (but in all cases preserving confidentiality by following the Company's policies and procedures). Participant agrees to take all reasonable measures to protect the secrecy of and avoid disclosure or use of Confidential Information in order to prevent it from falling into the public domain or into the possession of any Competing Business or any persons other than those persons authorized under this Restrictive Covenants Addendum to have such information for the benefit of the Company. Participant agrees to notify the Company in writing of any actual or suspected misuse, misappropriation, or unauthorized disclosure of Confidential Information that may come to Participant's attention. Participant acknowledges that if Participant discloses or uses knowledge of the Company's Confidential Information to gain an advantage for Participant, for any Competing Business, or for any other person or entity other than the Company, such an advantage so obtained would be unfair and detrimental to the Company.
 - b. Participant shall not be held criminally or civilly liable under any federal or state trade secret law for the disclosure of a trade secret that (A) is made (i) in confidence to a federal, state, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.
 - c. Nothing contained in this Restrictive Covenants Addendum is intended to prohibit Participant from disclosing or discussing information relating to compensation or working conditions protected by the National Labor Relations Act or applicable law. Additionally, nothing contained in this Restrictive Covenants Addendum prohibits or prevents Participant from filing a charge with or participating, testifying, or assisting in any investigation, hearing, whistleblower proceeding, or other proceeding before any federal, state, or local government agency (e.g., EEOC, NLRB, SEC, etc.) or in any legislative or judicial proceeding nor does anything in this Restrictive Covenants Addendum preclude, prohibit or otherwise limit, in any way, Participant's rights and abilities to contact, communicate with or report unlawful conduct to federal, state, or local officials for investigation or participate in any whistleblower program
-

administered by such agencies. The Company further acknowledges Participant's rights to make truthful statements or disclosures required by law, regulation, or legal process and to request or receive confidential legal advice, and nothing in this Restrictive Covenants Addendum shall be deemed to impair those rights. The Company also acknowledges Participant's rights to make truthful statements or disclosures about unlawful employment practices which are defined to mean any form of unlawful discrimination, harassment, or retaliation that is actionable under Title VII of the Civil Rights Act of 1964 or any comparable state statute or any other related federal or state rule or law that is enforced by the Equal Employment Opportunity Commission or any comparable state agency.

- 2. Limited Non-Compete Agreement.** The Parties acknowledge and agree that, as a result of Participant's employment with the Company: (i) Participant has and will have access to and be involved in the development and utilization of the Company's Confidential Information; (ii) Participant will develop and maintain critical relationships with the Company's customers, prospective customers, employees, consultants, and independent contractors; and (iii) Participant will be responsible for further developing and strengthening the Company's goodwill in the market. Accordingly, Participant expressly agrees that Participant will not Compete with the Company during the Restricted Period within the Restricted Territory on behalf of any Competing Business.
- 3. Non-Solicitation of Customers/Prospective Customers.** Participant expressly agrees that during the Restricted Period, Participant will not, directly or indirectly, either alone or by assisting or acting in concert with others, on behalf of themselves or any other person, business, entity, including but not limited to on behalf of a Competing Business, solicit, persuade, induce, encourage, divert, or attempt to solicit, persuade, induce, encourage, or divert, or otherwise accept business from, any Customer or Prospective Customer with whom Participant had Material Contact, for the purpose of interfering in the relationship between such Customer or Prospective Customer and the Company, or providing products or services that are competitive with or could replace the Company's products or services in the Company's Business.
- 4. Non-Raiding of Employees.** Participant expressly agrees that during the Restricted Period, Participant will not, directly or indirectly, either alone or by assisting or acting in concert with others, on behalf of themselves or any other person, business or entity, solicit, induce, encourage or attempt to solicit, induce or encourage any then current employee or independent contractor of the Company (each, a "Restricted Employee") to alter or terminate their relationship with the Company, or hire, employ, recruit or attempt to hire, employ or recruit any Restricted Employee on behalf of any other person, business or entity.
- 5. Remedies.** In the event that Participant breaches any of the restrictive covenants set forth in this Restrictive Covenants Addendum, the then-unvested portion of the Restricted Stock Award awarded by this Award Agreement will thereupon be forfeited at no cost to the Company and Participant will have no further rights thereunder. Participant agrees that the obligations set forth in this Restrictive Covenants Addendum are necessary and reasonable in order to protect the Company's legitimate business interests and (without limiting the foregoing) that the obligations set forth in this Restrictive Covenants Addendum are necessary and reasonable in order to protect the Company's legitimate business interests in protecting its Confidential Information, customer and employee relationships and the goodwill associated therewith. Participant expressly agrees that due to the unique nature of the Company's Confidential Information, and its relationships with its customers and employees,

monetary damages would be inadequate to compensate the Company for any breach by Participant of the covenants and agreements set forth in this Restrictive Covenants Addendum. Accordingly, Participant agrees and acknowledges that any such violation or threatened violation shall cause irreparable injury to the Company and that, in addition to forfeiture of any unvested portion of the Restricted Stock Award and any other remedies that may be available in law, in equity, or otherwise, the Company shall be entitled: (a) to obtain injunctive relief against the threatened breach of this Restrictive Covenants Addendum or the continuation of any such breach by Participant, without the necessity of proving actual damages, and without necessity of posting bond; and (b) to recover any costs or attorneys' fees, arising out of or in connection with any breach or threatened breach by Participant or any action relating to Participant's obligations under this Restrictive Covenants Addendum. Any such equitable relief sought or obtained pursuant to this Restrictive Covenants Addendum will not be the Company's exclusive remedy to address Participant's breach or threatened breach of the provisions herein, and the Company shall be entitled to pursue all remedies available, including but not limited to actual damages, pursuant to applicable law. No claim, demand, action, or cause of action that Participant may have against the Company shall constitute a defense to the Company's enforcement of any of its rights or Participant's obligations hereunder by the Company or the Company's successors or assigns.

6. Tolling. Participant acknowledges and agrees that the Restricted Period shall be tolled on a day-for-day basis for all periods in which Participant is in breach of the obligations contained in this Restrictive Covenants Addendum, so that the Company receives the full benefit of the Restricted Period to which Participant has agreed herein. Participant also agrees that if Participant or the Company institutes litigation to enforce or challenge the protective covenants in this Restrictive Covenants Addendum, and Participant is not enjoined from breaching one or more of the protective covenants contained in this Restrictive Covenants Addendum, and a court thereafter determines that one or more of the protective covenants are enforceable, the Restricted Period shall be tolled (i.e. suspended) beginning on the date the litigation was instituted until the litigation is finally resolved and all periods of appeal have expired.

Confidential Information shall not include any information that (i) is or becomes generally available to the public other than as a result of an unauthorized or unintentional disclosure, (ii) has been independently developed and disclosed by others without violating any obligations to the Company or applicable law, or (iii) otherwise enters the public domain through lawful means.

8. Participant's Right to Consult with Counsel. Participant acknowledges that Participant has been provided an opportunity, and has been made aware of Participant's right, to consult with counsel of their choosing at Participant's expense prior to entering into the Award Agreement, including specifically (but without limitation) the restrictive covenants in this Restrictive Covenants Addendum.

The Company intends for this Restrictive Covenants Addendum to comply fully with state and local laws and, as such, acknowledges that this Restrictive Covenants Addendum is limited or not applicable in the following states. To the extent that there are additional limitations not acknowledged herein, the Company intends for this Restrictive Covenants Addendum to be read and applied in full compliance with applicable state laws.
